

Step back in time at the Henderson Castle

APA holiday gathering
Thursday, December 2

The Administrative Professional Association invites you and your guests to celebrate the holidays with us at the Henderson Castle. Step through the leaded-glass doors of this elegant inn and tour the castle as it is decked out in holiday theme. Enter another world—a world of beauty, comfort and quiet refinement.

Since its construction in 1895, Henderson Castle has been one of Kalamazoo's most prominent local landmarks and is listed on the National Registry of Historic Places. High atop a hill, commanding a panoramic view of the city, the Henderson Castle has served as much as a symbol as it has a building; refined, dignified, embodying old-world values of craftsmanship and appreciation for beauty.
