

The Career Center, Haworth College of Business

Looking for the *Best Way* to Get Job Opportunities in Front of Business Students?

The Career Center at Western Michigan University uses e-recruiting software by Experience. We call it BroncoJOBS.

Through WMU's web-based recruiting software, BroncoJOBS, you can manage your recruiting strategy through a variety of highly targeted communication vehicles.

Features of BroncoJOBS

BroncoJOBS provides the platform for you to post your opportunities, search for resumes and pre-select candidates for interview schedules. You can:

- Promote your open internships and positions to 4000+ business students in Accounting, Computer Info. Systems, Marketing, Sales, Supply Chain Management, Human Resources, Finance and Personal Financial Planning.
- Search **resume books** by 'advanced search' features including major, expected graduation date, grade point average and key word search.
- Create and save **job and/or internship descriptions**
- Identify your **preferred application method** (E-mail, company website, or you may log-in to retrieve applicants' resumes)
- Review students' resumes and make your **pre-selections for interviews**
- **Register for career fairs**
