To be considered for an assistantship, you must be accepted to the graduate college and enrolled in the CCE program as a full-time student. Assistantships are awarded for the fall and/or spring semester(s) if funding is available. The application deadline for the fall semester is March 1 and the application deadline for the spring semester is October 1. Applications received after the deadline date will be considered for the next semester. Your information will be kept on file for one year. Tuition remission for out-of-state graduate students is not automatically granted.

Attach a letter of reference and a resume. The resume should include scholarships, publications, and other honors as well as professional and work experience. You will be informed (in writing) as to assistantship award status.
