

## CAViDS

### Koorosh Naghshineh

Professor, Mechanical and Aeronautical Engineering  
Specialty Area: Acoustics and Vibration (analysis and control)

Degree: Ph.D. M.E., Penn State University (1991)

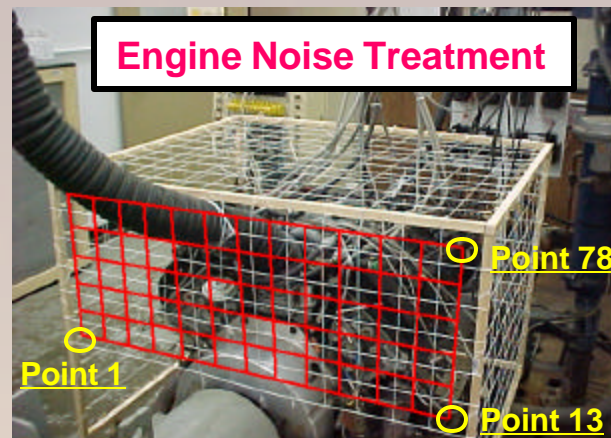

Related Past Affiliation: BF Goodrich & Goodyear (Tire/Vehicle noise),  
SRI International (DOD Acoustics)

### Vehicle Research Highlights

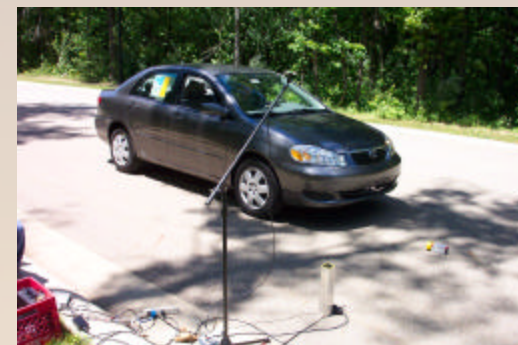

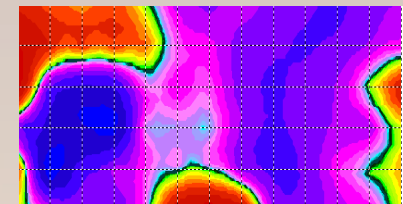

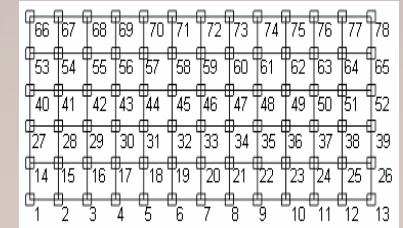

- Engine treatment evaluation
- Truck shift-lever isolator design
- Hybrid vehicle noise evaluation

Shift-lever  
isolation

Engine Noise Treatment

Hybrid  
vehicle  
noise
