

## **CAViDS**

### **Leonard R. Lamberson**

**Professor, Industrial & Manufacturing Engineering**

**Specialty Area: Reliability, Availability, Maintainability**

**Degree: Ph.D., Texas A&M University 1967**

**Related Past Affiliation: TACOM, GMI, Wayne State University.**

### **Current project:**

Reliability Program Management for Heavy  
Vehicle Technologies and Systems Operations

- Funded by DANA Corporation.

### **Past project areas:**

Manufacturing machinery & equipment R&M, FMEA, Risk analysis

Reliability prediction from life data, testing strategies
