

## Charges to the Campus Planning and Finance Council

Each of the Faculty Senate's councils has a number of ongoing charges. Those charges should be considered as renewed. In addition, the Faculty Senate Executive Board charges the Campus Planning and Finance Council to consider, as a committee of the whole or through the appropriate sub-committee or task force, the following items:

1. The classroom development charge has been removed as a joint charge;
2. The permanent sculptures charge has been taken up by the council's Signs, Landscape and Sculpture Committee; and
3. We would like to have some movement on the endowed chairs and professorships charge.

Where appropriate, the work and deliberations of the council should result in policy or policies to be submitted for the consideration of the executive board and the Senate.

We further charge the council to work with the executive board through its council liaison to communicate questions or problems with the charges and their formulation to ensure that the business of the Faculty Senate is conducted in an appropriate and timely manner.
