

Charges to the International Education Council

Each of the Faculty Senate's councils has a number of ongoing charges. Those charges should be considered as renewed. In addition, the Faculty Senate Executive Board charges the International Education Council to consider, as a committee of the whole or through the appropriate sub-committee or task force, the following items:

1. How is WMU serving the academic and other needs of international students?;
2. study the nature and effectiveness of the administrative structure of our international programs;
3. study the issue and possibility of franchise degree programs overseas; and
4. study the matter of student credits as they apply to WMU students who engage in study abroad.

Where appropriate, the work and deliberations of the council should result in policy or policies to be submitted for the consideration of the executive board and the Senate.

We further charge the council to work with the executive board through its council liaison to communicate questions or problems with the charges and their formulation to ensure that the business of the Faculty Senate is conducted in an appropriate and timely manner.
