SCHOLARSHIP RESOURCES

You might be eligible for scholarships from other sources and we encourage you to explore and apply for any scholarships for which you are eligible.

Take the necessary steps to maximize the aid you receive.

- First, apply for the FAFSA (Free Application for Federal Student Aid) at www.fafsa.ed.gov. This determines your eligibility for many federal, state, institutional and private scholarships and grants. So even if you think your income is too high, it's always best to apply.
- Then, visit our website at www.wmich.edu/finaid/scholarships and see if you are eligible to apply for certain scholarships.
- Next, expand your search by using online scholarship search services such as those listed below. Remember that you will need to submit your application materials directly to the awarding organization and meet all their requirements and deadlines.
