REQUEST FOR ANTICIPATED HOURS

Our records indicate you have applied to graduate. Federal regulations require us to prorate Federal Direct loans for undergraduate students when they will attend fewer than nine months during the academic year. This proration is based on the number of credit hours remaining in order to complete your undergraduate degree program. Based on the information you provide, your Federal Direct Subsidized or Unsubsidized Loan may need to be adjusted.

Please list the number of credit hours you will take during the following terms:

_____ Summer II (July – August)

_____ Fall (September – December)

_____ Spring (January – May)

_____ Summer I (May – June)

If you are interested in federal student loans and are eligible, you may be awarded up to your maximum eligibility per your academic level, enrollment and dependency status.

_____ Yes, I would like to receive loans in Summer II.

_____ No, I do not want to receive loans in Summer II.

We will make any necessary adjustments to your Federal Direct loans. You will receive a revised award notice via your WMU email account. You may review the status of this form and your award through GoWMU.

Please note: Any delay in returning this form may result in a payment delay, or a reduction or loss of your financial aid awards.
