mental health through United Behavioral Health

If your insurance company **is** listed above, we will bill your insurance if you provide us with your correct information. The insurance company should send payment to Sindecuse Health Center. Any co-payment, deductible, or excluded charge that is your responsibility will be applied to your university account.

If your insurance **is not** listed above, Sindecuse Health Center will bill your insurance as a courtesy to you provided we have your correct information. The visit charges will be applied directly to your university account.

The Sindecuse Health Center Pharmacy participates with many major pharmacy card programs beyond those listed above.

For more information regarding your insurance coverage, please call the telephone number on the back of your insurance card.
