To all current and prospective SPADA graduate students,

Graduate students in Western Michigan University's Specialty Program in Alcohol and Drug Abuse (SPADA) may now apply for financial aid through the Free Application for Federal Student Aid (FAFSA), as SPADA is now a Title IV eligible program for federal student aid.

Through SPADA's Title IV eligibility, students who may not otherwise be able to afford to participate in the program will have the opportunity to do so. This is a great advantage for students, an expansion of the SPADA program, and a benefit to the many individuals and communities SPADA students will serve through their practice.

If you wish to apply for financial aid, please visit WMU's Financial Aid website for complete application instructions at <http://www.wmich.edu/finaid/>. If you have questions about your individual SPADA program, please contact your Graduate Student Advisor.

Sincerely,

Dennis Simpson, Ed.D.
SPADA Program Director
