

MAJOR/MINOR REPORT · FALL 2009
ALL CAMPUS UNDERGRADUATE BEGINNERS
1st, 2nd and 3rd Majors and 1st, 2nd and 3rd Minors by Ethnicity Within College

This report provides counts of undergraduate new beginner students by their 1st, 2nd and 3rd majors and 1st, 2nd, and 3rd minors.

As each major and minor is counted, the same student may be counted multiple times across different majors and minors.

All majors and minors are reported in their respective departments, even if the student will graduate from another college. For example:

BYSJ (Biology: Secondary Education) majors are counted in the Biological Sciences department in the Arts and Sciences college.

Undergraduate program codes ending in "P" indicate a pre-program.

For example:

ENSP refers to the Pre-English: Secondary Education program

Note that the programs are sorted alphabetically by program code within a department.

This report is based on the validated census extracts used by the Office of Student Academic and Institutional Research. The reports are consistent with the totals that will be reported to external agencies. They should, therefore, be considered the official source of this information at Western. All census reports are based on enrollment at the conclusion of the sixth day of class for each semester or session.
