

This report provides counts of students by the 1st majors of their primary programs. All majors are reported in the college from which the student will graduate.

For example:

IEVD (Evaluation) majors will be counted either in the Arts and Sciences, Education, Engineering and Applied Sciences, or Human and Health Services college.

The last letter of the graduate program code indicates the type of degree program:

“D” indicates a doctoral program

“M” indicates a master’s program

“S” indicates a specialist program (excluding PRCS - Pre-Computer Science)

“C” indicates a graduate certificate program

For example:

ENLD refers to the English Ph.D. program

ENLM refers to the English MA program

ENTM refers to the Teaching of English MA program

CRWM refers to the Creative Writing MFA

Note that the programs are sorted alphabetically by program code within a department.

This report is based on the validated census extracts used by the Office of Student Academic and Institutional Research. The reports are consistent with the totals that will be reported to external agencies. They should, therefore, be considered the official source of this information at Western. All census reports are based on enrollment at the conclusion of the sixth day of class for each semester or session.
