Music Therapy Internship	MUS 4810	2

* Suggestions refer primarily to Music Therapy classes. Other deficiencies may have to be removed depending on the candidate's credentials. (Admission to Class Piano 3200 is contingent upon prior piano study and results of proficiency exam.)

- Note:
1. Music Therapy majors must elect OT 2000 and SPAA 2000 in completing the General Education requirement or already have taken similar courses prior to beginning academic work at Western.
 2. One course in dance that qualifies as a physical education "activity" course must also be taken.
 3. The six-month internship in Music Therapy begins after the completion of coursework.
