

Assessment Plan

Western Michigan University

TRiO Student Support

Outcome: Resume Development

90% of students who complete the TRIO SSP UNIV 1020 class will write a clear, persuasive, professional resume.

Means of Assessment			
Assessment Method	Criterion	Schedule	Active
This outcome directly relates to one of the course objectives. Student resumes will be assessed by the instructor using the resume grading rubric (see attachment).	To successfully complete this learning outcome, a student must include all of the format pieces and receive at least a ?satisfactory? grade in all content areas identified on the rubric.		Yes

Outcome: Priority Registration

90% of TRIO SSP participants who meet with TRIO staff to qualify for priority registration will identify at least 4 potential classes for Fall 2008.

Means of Assessment			
Assessment Method	Criterion	Schedule	Active
TRIO SSP staff will indicate on the contact sheet (see attachment) that the purpose of the meeting is priority registration and will list the classes the student identified for the upcoming semester. Student office staff will then enter the information into an access database. The Office Coordinator will run a report from the database at the end of the semester.			Yes

Outcome: ANTH 1200

80% of the students who complete the TRIO SSP ANTH 1200 class will learn and effectively apply the basic concepts of the anthropological perspective.

Means of Assessment			
Assessment Method	Criterion	Schedule	Active
This outcome directly relates to one of the course objectives.	A score of at least 70% on Exam 1 (see attachment) will successfully complete this learning outcome.		Yes
