

ICES Online Evaluation Period

Summer I and II 2011 - NOTE: Schedule applies to all courses

Following are examples of how the evaluation period will work during summer I and II. NOTE: evaluation periods begin on the last scheduled day of the course, and continue for an additional three days (total of four). The first column illustrates a one-day course scheduled for the first day of classes. The third column illustrates a course scheduled to end on the last day of the session. The middle column illustrates a randomly selected course ending date.
