Graduate Program Review

President's Decisions and Recommendations

Maintain with Conditions

Program: Master of Arts in Education and Professional Development Elementary School Teaching and Learning

Department: Maintain

Dean Wegenke: Reconfigure

Graduate Program Review Team: Reconfigure

Recommendation: Provost Delene: Eliminate

Appeals Committee: Unanimous vote to support appeal of program in Elementary School Teaching and Learning for purposes of allowing the completion of College reorganization and curricular reconfiguration.

President Bailey: Maintain program and re-evaluate in two years 03-04 and 04-05

Enrollment: *Note: Data not broken out between Middle and Elementary School in 03-04 and 04-05*

05-06 75 students registered

As the College of Education undertakes a major reorganization, it is important that its programs be maintained and continue through the curricular review process.

Rationale: Further, in the conversion from ISIS to Banner combined with the reconfiguration of the College, data errors emerged.

Finally, the College reconfiguration and curricular review should be completed and evaluated in two years.

Recommendation: Maintain program with re-evaluation during the 2008-09 academic year. No board action required.
