Graduate Program Review

President's Decisions and Recommendations

Maintain

Program: Doctor of Philosophy in Computer Science

Department: Maintain

Dean Kent: Maintain

Recommendation: Graduate Program Review Team: Maintain

Provost Delene: Eliminate

Appeals Committee: Unanimous vote to maintain

President Bailey: Maintain

Enrollment:

03-04 15 students

04-05 17 students

05-06 18 students

Rationale:

Given recent new faculty hires and the completion of its transition from a program and unit in the College of Arts and Sciences to its new home, the committee recommends that the PhD in Computer Science be maintained and allowed to reach its potential. The program is on the verge of reaching a level of maturity that needs to be allowed to evolve over the next three years.

Recommendation: Maintain. No board action required.
