Students are responsible for coming to each class prepared with the required supplies and materials. This list includes all supplies that will be needed for the semester. Students will use this equipment throughout all design courses. You may be required to purchase additional supplies for other classes depending on course requirements. You will be given a cubby in the class room to store your supplies. It’s recommended to label all belongings and supplies. The department is not responsible for lost or stolen personal items.

Due to lab availability limited facility open lab hours are offered for student use. Design and Development majors may wish to purchase a sewing machine to aid in meeting program design requirements. Sewing machine brand and model is left to the discretion of the student’s preference and budget.
