Sign in to your Google Apps account on Android

1. Open the account settings
   
   • Android 2.1-2.3 users add your account by going to Settings > Accounts and sync > Add account > Google.

   • Android 3.0+ users add your account by going to Settings > Add account > Google.

2. Touch Next and sign in with your mobile browser.
   
   • Android 2.1-2.3 users touch Menu > Browser sign-in, in the bottom right corner.

   • Android 3.0+ users touch Existing account > Menu > Browser sign-in.
3. Sign in entering your wmich.edu email address and leave the password field *blank*. You'll be redirected to the CAS login page. Enter your Bronco NetID and password here.

4. Your account will be added to the Android device. The next screen displays Calendar, Contacts, and other Google services available for syncing with your device. Choose which services you would like to sync with your device and then tap the arrow to complete the account setup.
