Sign in to your Google Drive on Windows

*If you used Google Drive in the past, uninstall the Google Drive application before proceeding.*

1. Download the **Drive File Stream for Windows** from:

2. Open the **googledrivefilestream.exe** file that was downloaded to install the Google Drive File Stream application. Once installed you will be prompted for an email address. Enter your first.last@wmich.edu email address.
4. You will be redirected to a WMU login page. Enter your Bronco NetID and password and click Login.

5. When prompted to allow Google Drive File Stream to access your account, click the Allow button.
6. Your Google Drive files will now be available from the **This PC** section of Windows Explorer.
