Description: Supports nutrition-related interventions to improve infant health and development from first year before birth to age three. Projects should have a specific nutrition focus with defined outcome parameters. Of particular interest are projects with broad applicability to the general population offering a substantial promise of meaningful advances in prevention and treatment of diseases. Up to \$350,000 available per award. Novice Researcher Award also available with up to \$20,000 per project. Annual deadlines: 6/1, 12/1 for required concept papers; full proposals by invitation only. Visit the website for details.

2. **Sponsor:** Brady Education Foundation

Title: Program Development or Program Evaluation

Deadline: Stage 1 due date: 8/1/2017, 12/1/2017

URL: <http://bradyeducationfoundation.org/applicationguidelines.html>

Description: The Brady Education Foundation seeks to close the achievement/opportunity gap for children at risk for poor school outcomes due to environmental factors associated with living in poverty. The Foundation pursues its mission by promoting collaboration between researchers and educators via the funding of program development and program evaluations in education. Currently, the Foundation is particularly focused on the development and evaluation of programs that are consistent with a strength-based approach and show promise of being feasible, effective and sustainable.
