2022/23

Western Michigan University Curriculum Guide for Sustainable Brewing

Program description and notes: The goal of the program is to educate students to be intimately familiar with the technical features of brewing, to appreciate the rich landscape of the industry, and to comprehend and address the environmental challenges faced by the industry in the 21st century.

- ❖ The program was launched in a joint effort between WMU and Kalamazoo Valley Community College in the Fall of 2015.
 - KVCC offers the brewing courses at its Kalamazoo campus.
 - Twenty-six (26) credits and an externship are offered.
- ❖ Students will learn the brewing process in a teaching brewery outfitted with the comprehensive functionality of industry equipment and facilities that incorporate sustainable brewing practices.
- ❖ This program is the first of its kind in the nation.
- ❖ The program includes classroom work that is coupled with firsthand experience in a small-scale teaching brewery going through the process of brewing from “grain to glass.”
- ❖ Students seeking only the brewing certificate can complete that as a stand-alone program at KVCC or complete the certificate as part of an associate degree designed specifically to transfer into the Bachelor of Science program at WMU.
- ❖ Students can also begin their studies at another community college, college, or university, or WMU and complete the KVCC certificate along the way to their bachelor’s program.

Courses that can be completed at Harper:

WMU Courses

BIOS 1600
BIOS 1610
BIOS 1620
BUS 1750
CHEM 1100|1110
CHEM 1120|1130
ENGL 1050
ENG 1100 or COM 1700
MATH 1180
PHYS 1130|1140
PHYS 1150|1160
PSCI 2000

Harper Courses

BIO 101
BIO 115
BIO 116
MGT 111
CHM 121
CHM 122
ENG 101 or 102 or 103
SPE 200
MTH 140
PHY 121
PHY 122
PSC 101

General Requirements:

- ❖ Please refer to the [WMU Essential Studies \(WES\) Transfer Guide](#) that lists courses meeting WES requirements at WMU that may be taken at Harper.
- ❖ All students graduating from the College of Arts & Sciences must complete the College of Arts and Sciences Essentials (CASE). This includes world language proficiency (detailed in next bullet point), ENGL 1050/1060 sequence, and by completing the baccalaureate writing requirement.
 - Students will meet the world language proficiency by completing two semesters (6-8 hours) of the same foreign language or American Sign Language or passing WMU's proficiency by exam. Please contact the College of Arts & Sciences Undergraduate Advising Office at (269) 387-4366 with any questions. Neither the MACRAO Agreement nor the MTA satisfy the world language requirement.
 - If the student's first language is not English, then the student is exempt from this requirement. Determination of eligibility for this exemption is based on whether the student was required to take the TOEFL test for admission and can be verified through the WMU departments of Spanish or World Language and Literatures.
- ❖ You may email the WMU advisors in the College of Arts and Sciences for further clarification about **WES** or **CASE**.
