2023/24

Western Michigan University Bachelor of Science, Healthcare Services and Sciences General Curriculum Guide

The Healthcare Services and Sciences (HSS) General major is designed to prepare students to work in variety of health careers:

- Students who want to prepare for administrative and other non-clinical positions in the complex and varied career area of health care.
- Students who plan to attend graduate school in a clinical or non-clinical career.
- In addition to the general HSS major, specific concentrations are available to students:
 - HSS Blindness and Low Vision Preparation Concentration
 - HSS Clinical Practice in Health (Degree completion for students already working in health care who hold associate degrees or certificates in health-related areas.)
 - HSS Occupational Therapy Preparation Concentration
 - HSS Physician Assistant Preparation Concentration

Admission Requirements:

- Students admitted to WMU and in good standing are eligible to major in Healthcare Services and Sciences. Grade restrictions apply for continuing in the major.

General education (WES) requirements:

- Please refer to the [Western Essential Studies \(WES\) transfer guide](#).
- Students choosing the general HSS major must have a minor for graduation. Those in a preparation concentration have the option of completing a minor. Please check with your WMU advisor about courses you can take at Glen Oaks that will count toward your minor.

Other information:

- Please visit the WMU Course Catalog and the Healthcare Services and Sciences webpage for more information.
- WMU advisors will review previous education of certified or licensed allied health professionals for credit toward the BS-HSS Clinical Practice in Health major.
- WMU's HSS program students are required to complete an internship or similar capstone experience in addition to required courses. Students with an associate degree in health-related fields will likely be exempt from this requirement.
