This document will walk you through the Course Home page.

**Course Home**

The course home page is the first page you will see when you enter the course. There are several widgets that will help you to navigate and find information about your course.

Notice in the Navigation bar, the title of the course is indicated.

---

For live assistance contact the Help Desk:
The Help Desk is located on the second floor of the University Computing Center and may be reached at (269) 387-4357 (HELP), option 1 or by email to helpdesk@wmich.edu. Help Desk hours and links to resources available at www.wmich.edu/helpdesk

For self-service help & training, visit the following:

- Elearning Instructor Support
- Desire2Learn Help Documents
Navigation Bar: Course Home and Content

The NavBar is used to access the different parts of an online course. From the NavBar you can reach any part of the course.
Navigation Bar: Resources, Communications, Assessments
News

Important course announcements may be posted in the News section.

Student Training Course

Welcome to Class

Posted Jul 8, 2015 9:18 AM

Welcome to HSV-1234 online. This is the News section where important course announcements will be posted; please check here regularly. To begin, click on Content on your navigational toolbar above.

Start by reading the Syllabus as well as the Course Schedule. Once you have familiarized yourself with our online classroom, please take a moment to introduce yourself to the class by posting your personal biography in the respective discussion thread located in the Discussions area.
Calendar

The calendar denotes important start and end dates of course activities such as quizzes, dropbox submissions and discussions.

Click the drop down arrow to go to the calendar for a more detailed view.

Click the drop down arrows to expand or hide the calendar view.

Click the arrow to change the calendar to the next month.

Click the drop down arrow to expand or hide the upcoming events.
