Reporting annual leave for biweekly employees for fiscal year end 2017:

Annual leave reporting for pay periods \( X50 \) and \( X52 \) is processed differently than other regular pay periods. This is an advanced notification of key information that will be distributed to Timekeepers and Managers regarding annual leave for the fiscal year end. For biweekly employees, on pay period \( X50 \) (June 5, 2017 – June 18, 2017), any annual leave time that is scheduled to be taken during \( X52 \) (June 19, 2017 - June 30, 2017) must be reported on \( X50 \).

No annual leave should be reported on \( X52 \) for time taken during June 19-30. Leave reported on \( X52 \) will be charged to 2018 fiscal year leave balances.

All hours reported on \( X52 \) for hourly employees should be reported as regular hours for leave taken during that pay period as the leave has been accounted for during the \( X50 \) pay period. It is important for Timekeepers and Manager to double check hours input to ensure employees will be paid accurately.

A comment has been created, named “Pay Period 50-52 AL Adjust” to allow timekeepers to attach comments to leave input in \( X50 \).

For Salaried employees, leave hours for the fiscal year ending June 30, 2017 should be input on \( SM1713 \) which covers the pay period June 15, 2017 - June 30, 2017.

Any leave reported on \( SM1714 \) will be charged to the employee’s new leave balance for the 2018 fiscal year.

The Human Resources policy regarding annual leave is available at:

[http://www.wmich.edu/hr/policies/handbook](http://www.wmich.edu/hr/policies/handbook) or reference the bargaining unit contract.

**Reminder:** Year-end commitments to Fund 11 and Fund 42 will be reflected in the carry-forward budgets as memo items against the fiscal year operating budget and include the Physical Plant, Purchasing, Library Acquisitions and other miscellaneous year-end commitments.
Carryforward projects:

As of June 30, Facilities Management Business Operations Office will provide a list to the Budget Office of those projects/work orders that meet ALL of these criteria to be encumbered for next fiscal year:

1) funded with fund 11 or fund 42 dollars only,
2) does not have a fund 63 attached to the project/work order,
3) not complete as of May 31
AND
4) have unused funding allocated to the project.

Departments need to ensure the year-end ending balance for that cost center has adequate funds to cover the unused portion. The encumbrance will not be seen on GLOW in the current fiscal year. The funding will be returned next fiscal year to the same cost center in account number 4353 in the budget column. This can be found in GLOW when the perm budgets are booked.

Cutoff of project requests for current year encumbrance: JUNE 2, 2017

Those departments desiring to encumber project costs with current fiscal year dollars into the next fiscal year must submit the Bronco Project Request form via this website http://www.fm.wmich.edu/projects/project_request no later than June 2, 2017.

Closing projects:

Projects will not be closed during the month of June. However, there will be projects closed throughout the month of May that may have funding returned during June. Please keep in close contact with your Project Manager to be aware of your project activities. The Facilities and Debt Planning Office will transfer funds in mid-June and FM Business Operations will be communicating with those departments affected to keep departments apprised of impending transfers.

Please use the billing detail website to help with tracking your project costs. http://wmich.edu/facilities/administration/business click on “Billing Detail” link.
