In addition to its specific responsibilities listed in the Extended University Programs Council’s role statement and the work of subcommittees if such exist, the Faculty Senate Executive Board charges the EUPC to consider, as a committee of the whole or through the appropriate subcommittee or task force, the following issues:

1. Review the scope and description of the council’s role statement and assess the effectiveness of the council’s practices. Address any continuing or outstanding issues or initiatives as directed by the Faculty Senate Executive Board. EUPC acts in place of faculty/department/unit regarding curricular changes of EUP offerings.

2. Review EUP processes and procedures to ensure the University is efficient and effective in responding to external opportunities.

3. Explore, evaluate and provide input on competency based learning models for EUP programming, keeping in mind the diverse substantive and pedagogical approaches of WMU faculty.

4. Evaluate and provide input on alternative and innovative learning programs such as middle colleges, on-line dual enrollment, continuing education and professional development courses.

5. Actively collaborate with the Campus Planning and Finance Council’s Budget and Finance Subcommittee toward the goal of increasing departmental incentives to continue offering courses at off-campus sites.

6. Address possible changes in non-contractual EUP incentives.

7. Address instructional logistics at WMU campus in Florida.

NOTE: The EUPC will seek information from the Office of Extended University Programs to maintain communications with that office on issues directly related to it. Council recommendations are to be submitted to the Executive Board in the form of a report (see the template for preparing reports included in the Faculty Senate Council/Committee Chair Handbook). After review, the Executive Board may invite the council to initiate a memorandum of action (MOA) on which the recommendation(s) is/are stated. Any draft MOAs requested by the Executive Board should be submitted using the DRAFT MOA template included in the Faculty Senate Council/Committee Chair Handbook.

The EUPC chairperson shall provide a written summary of the council’s progress for the year; list the above charges noting each item’s progress and current status; any other activities undertaken; and draft charges for the 2017-18 academic year, no later than June 30, 2017.
