Collaborate with the Ad Hoc General Education Design Committee in examination of general education curriculum specifically in regard to assessment of how well the program prepares students for a global future. Make recommendations for possible general education enhancements related to this issue.

3. Explore mechanisms that may encourage faculty to develop and/or participate in bringing global perspectives to their own areas of teaching and research; recommend and provide avenues of support as needed. Explore ways to increase faculty engagement in international research and internationalization of the curriculum. Explore new programs to reach faculty members. Include diversity and inclusion when relevant to these initiatives.

4. Review the processes related to WMU students who study abroad and develop a report recommending changes that will increase study abroad enrollments and oversight of the quality of study abroad programs.

5. Review the process related to retention and integration of international students who study at WMU. Develop a report recommending changes and strategies that will promote internationalization of student services.

NOTE: The IEC will seek information from the Haenicke Institute for Global Education (HIGE) to maintain communications with that office on issues directly related to it. Council recommendations are to be submitted to the Executive Board in the form of a report (see the template for preparing reports included in the Faculty Senate Council/Committee Chair Handbook). After review, the Executive Board may invite the council to initiate a memorandum of action (MOA) on which the recommendation(s) is/are stated. Any draft MOAs requested by the Executive Board should be submitted using the DRAFT MOA template included in the Faculty Senate Council/Committee Chair Handbook.

The IEC chairperson shall provide a written summary of the council’s progress for the year; list the above charges noting each item’s progress and current status; any other activities undertaken; and draft charges for the 2017-18 academic year, no later than June 30, 2017.
