INFORMATION SESSION
FEB. 4th
FROM 4 - 6 P.M.

Free dinner and soft drinks!

Humphrey was founded more than 100 years ago and is headquartered in Kalamazoo, Michigan. They are recognized as a leading producer of pneumatic products, serving organizations worldwide. Their expertise in a wide range of industries is based on technologies proven in their standard products, enabling them to create truly customized solutions for unique commercial and industrial applications.

They have distributors located around the world and also have a long-standing alliance with Japan-based Koganei Corporation, one of the largest pneumatic companies in the world.

Humphrey Products will be holding an information session at the College of Engineering and Applied Sciences from 4-6 p.m. in the Parkview Room on Thursday, February 4th. This is a great opportunity to learn more about the careers available at Humphrey. Dinner and soft drinks will be provided! If you have questions, contact employer relations at (269) 387-2745 or career-recruiting@wmich.edu.
