## VOCATIONAL CERTIFICATION REQUIREMENT

*This major requires 200 clock hours of recent and relevant work experience.*

*See advisor for Verification of Work Experience form.*

### **Work Experience Requirement Family & Consumer Sciences Teacher Education**

The purpose of the volunteer/work experience requirement is to provide those seeking vocational authorization in family and consumer science education with practical “work experience” in their field. Since family and consumer science education deals with unpaid as well as paid employment, the work experience requirement may occur in volunteer settings where applicants will have the opportunity to observe and assist families in their multiple roles as workers, parents, family members, consumers, and community members.

*A total of 200 hours of recent and relevant volunteer/paid work experience will be required of each applicant in three of four possible areas. The hours must be documented. Forms are available from the College of Education and Human Development Advising office (2421 Sangren Hall) and [online](#). The hours may be accrued as part of university-level courses EXCLUDING secondary teaching internship CTE 4100/4750.*
