

## CAViDS

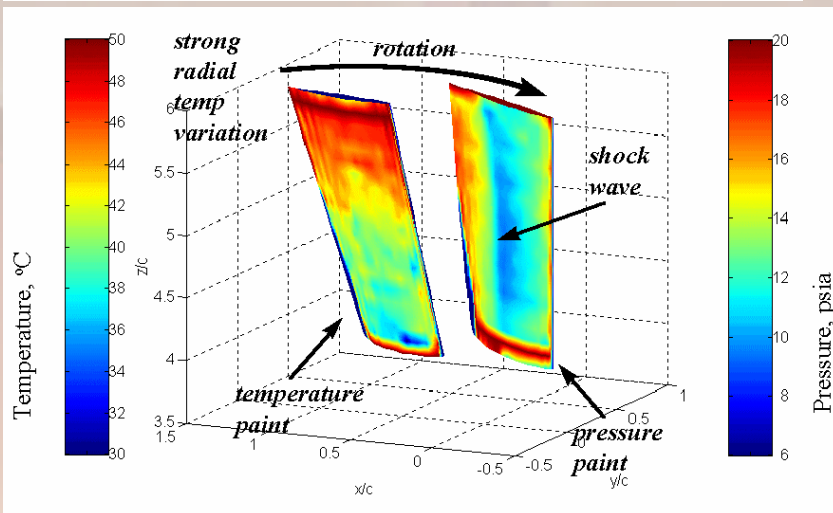

**Tianshu Liu**

Associate Professor, Mechanical and Aeronautical Engineering  
Specialty Area: Aerodynamics, Fluid Mechanics & Heat Transfer  
Degree: Ph.D., Purdue University (1996)  
Related Past Affiliation: NASA Langley Research Center

### Vehicle Research Highlights

#### Experimental Aerodynamics

##### *Global Pressure and Temperature Mapping on High-Speed Rotating Blades*

#### Novel Flight Vehicles

##### *Biologically-Inspired Flapping Wing Geometry and Kinematics for UAV & MAV*
