For students who tentatively know what subject areas they will choose to major or minor in, here are a few suggestions from the education department director:

- Science students could take CHE 10101 and 10102;
- **Not required for Early Childhood Education students.

Important notes:

- **Elementary Education majors** can be certified to teach K-5 in all subjects, grades 6-8 in the content minors or major, and K-8 in all subjects when teaching in a self-contained classroom;
- **Early Childhood majors** can be certified to teach K-5 in all subjects, grades K-8 in all subjects when teaching in a self-contained classroom, early childhood (regular or special education) – birth to 8 years old, and grades 6-8 in the content minors. See the WMU Elementary Education website for more information;
- Students will not be allowed to enroll in professional education 3000 level courses, until they have been admitted to the professional program;
- Contact the College of Education and Human Development (CEHD) advising, listed below, regarding any questions.
