MEETING YOUR NEEDS

The university studies degree is designed to allow you to complete your bachelor’s degree on your own terms. Building on your interests and goals and working around your schedule, this online program allows you to integrate your prior college coursework from virtually any major into one degree from WMU.

- Customize your program to take courses you want and need.
- Maximize the transfer of your previous coursework.
- Take courses online and complete your degree at a pace that fits your priorities.

THE UNIVERSITY STUDIES PROGRAM

Since 1973, thousands of individuals have achieved their dream of earning a bachelor’s degree through the university studies program. University studies continues to be one of the largest majors at WMU. As a university studies student, you are not alone and are part of a community that includes learners across the country and even the world.

WESTERN MICHIGAN UNIVERSITY

Western Michigan University is a national research university enrolling nearly 24,000 students from across the United States and 100 other countries. The University supports research centers and public-service clinics that work with partners nationwide to make new discoveries and improve people’s lives.

Extended University Programs provides higher education and professional development opportunities beyond WMU’s main campus. EUP operates in geographies across Michigan and in Florida as well as delivers online programs, lifelong learning, conferencing services and degree-completion through the university studies program. For more than a century we have been providing support services and access to education in innovative ways, to assist students in achieving their academic, professional and lifelong goals.
