Application for Admission to Professional Engineering/Technology Curriculum

Name: _______________________________________________________ WIN: ____________________________

Major: _____________________________________ Catalog Year (as listed on Degree Works): _________________

Email: _____________________________________@wmich.edu

1. Semester Applying for Professional Program (circle one) Spring / Summer I / Summer II / Fall __________

To apply for the professional program, you should be currently enrolled in your last pre-engineering/technology course.

Current Semester Schedule: ________________________________________________________________________

2. Please list your final grades in the following courses and in the respective courses for your major below (i.e., A, BA+B, etc.). If you currently are enrolled in one or more of these courses, please list the semester and year of the current term next to that class (i.e., Sp. 2016). For transferred courses, note “TR” and the grade (i.e., TR-4.0 or TR-A).

All Majors
Math 1220/1700: _____ CHEM 1100/1110: _____ IEE 1020: _____ PHYS 1130/1140 or 2050/2060: _____
Gen Ed Distribution Area I, II, III, IV, and/or V (need two*): ____________________________________________

*IEE and Engineering Technology programs do not require 2 gen ed. courses for admission to their professional programs.

☐ Aerospace or Mechanical Engineering
ECE 2100: _____ CS 1022 or 1023: _____ CHEM 1120 or PHYS 3090 (AE only): _____

☐ Civil or Construction Engineering
EDMM 1420: _____ CS 1022 & 1023: _____ CCE 1001: _____ CCE 1002: _____ IEE 2610 (Constr. only): _____

☐ Computer or Electrical Engineering
Math 1230/1710: _____ Math 2720: _____ PHYS 2070/2080: _____ ECE 2500: _____ ECE 2100: _____
CS 1110 or 1200: _____

☐ Chemical or Paper Engineering
Math 1230/1710: _____ Math 2720: _____ CHEM 1120/1130: _____ CHEG 1810: _____
CHEG 1010 or PAPR 1000: _____ CHEG 2810 or 2610: _____

☐ Industrial & Entrepreneurial Engineering
IEE 2050: _____ Gen Ed (one from Area I, II, III, IV or V)*: __________________________

☐ Engineering Design or Engineering Management or Manufacturing Engineering Technology
PHYS 1150/1160: _____ IEE 2610: _____ EDMM 2460: _____ Math 1230 (EDT Only): _____
