\* Students can finish this MA degree, Principal Leadership concentration, in 18 months, IF they start either Fall or Spring semester AND take 2 courses per semester (plus a 1 credit Ed. Leadership MA seminar their first semester), as well as take four classes during the summer (two each during summer I and summer II). This program is *also* designed for students who cannot take two classes per semester, whereby such students are able to start at any time and take whatever number of courses they can each semester (and of course, take a bit longer to graduate).
