

Combined Calendar - Paper Engineering Student Events

WMU Ts'ai Lun (TAPPI/PIMA Chapter) Student Association

Schedule Fall 2011 Semester (bold)

[and other important dates (in regular text)]

[scholarship and internships eligibility tasks (in italics)]

10-10-2011 version

WMU **Ts'ai Lun** is the Paper Engineering student organization and the connection to the regional/national paper industry organizations, TAPPI and PIMA. Paper Engineering majors and minors are encouraged to join the registered student organization (RSO) to be connected with WMU, paper and allied industry opportunities/information outside of the classroom, including company presentations, national conferences/tours, social events, and networking opportunities. Meetings are usually on Tuesdays, twice a month but variable due to company speaker schedules.
