Scholarship Application for New & Transfer Students
WESTERN MICHIGAN UNIVERSITY

Student Information

Last Name _____ First Name _____ Middle Initial _____

Street Address _____ City _____ State _____ Zip Code _____

Telephone _____ Student WIN _____ Email Address _____

Program Information: ❑ Paper Science or Paper Engineering **MAJOR**
❑ Paper Science or Paper Engineering **MINOR**

Year applying for _____
❑ **FALL SEMESTER** ❑ **SPRING SEMESTER**
❑ **SUMMER I SEMESTER** ❑ **SUMMER II SEMESTER**

Please check the section below which applies to you:

❑ New Student: ACT Composite Score: _____ ❑ WMU Transfer Student

❑ Community College or other University Transfer Student, please complete the following information:

Institution Attended _____ Major Area(s) of Study _____

Please state your reason for seeking this scholarship and what you expect to gain from your college experience:

_____

_____

Please indicate how you heard of the WMU Paper Engineering Program: _____

The Paper and Allied Industry is providing scholarships to develop talented scientists and engineers to enter the field. Experience in the industry provides students with insight that is educational and professionally developmental. Consequently, scholarship awards require students to gain exposure to the industry early in their career. The following criteria are required to insure proper industry exposure. NOTE: Year of study refers to the year of study in the paper engineering program.

1. A personalized thank you letter sent to your PTF scholarship donor each scholarship semester you receive a scholarship.
2. Attendance at fall PCI department Meet and Greet/first Ts'ai Lun student organization meeting.
3. Attendance at the PTF Annual Scholarship Recognition and Mentoring Program meetings (fall/spring).
4. Register on BroncoJOBS by **Sept. 30** of sophomore year of study.
5. Agree to join Ts'ai Lun Registered Student Organization (RSO) each semester of study as a dues-paying member at $10 per semester AND attend four Ts'ai Lun RSO meetings per year, two meetings per semester, to learn about industry jobs and corporations.
6. Must have held an internship or co-op by junior year to gain a senior year scholarship. (Successful placement requires critiqued resume and mock-interview sessions.)

Signing this Scholarship Application Form indicates that you understand and agree to the above listed requirements. Lack of participation at the PCI/PTF sponsored events and not achieving these requirements will result in your PTF Scholarship Award being rescinded and will be taken into consideration when awarding future PTF Scholarships. PTF scholarships are awarded on a funds available basis.
