Sign in to your Google Drive on Windows

1. Login to the Google Drive web application and select **Install Drive for your computer** to download the Google Drive Desktop Application.

2. Open the **googledrivesync.exe** file that was downloaded to install the Google Drive application.
3. Click the **Next** button until you are asked to sign in with your Google Account. When prompted to enter an email address and password, enter only your @wmich.edu email address and click **Sign in**.

4. You will be redirected to a WMU login page. Enter your Bronco NetID and password and click **Login**.
5. Click next to finish the setup. Your Google Drive files are now accessible from Windows.
