WMU Mobile App

• Created by computer science seniors at WMU.
• Features: access to academic information such as schedules and grades, campus dining menus, real-time bus tracking, campus events, campus maps, Webmail, WMU-sponsored radio feeds, local weather and much more.
• Available for Android and Apple platforms.
• Best of all, the WMU Mobile app is free!

One of my greatest pleasures as president of this great University is welcoming new Broncos. We’re all glad you’re here. You made a great decision when you chose Western Michigan University. Your next few years will be exciting and busy ones. If you do your part, you will succeed here.

I encourage you to get it right, right from the start. Attend class, ask questions, do your homework, see your advisor and study. A solid first semester sets the stage for achievement throughout your college career. Take advantage of everything we offer so you can realize the full WMU experience. Academics come first, of course, but being a truly successful student means knowing how to balance work and fun. It means trying new things, meeting new people, and learning outside the classroom. Don’t miss a chance to do any of that.

I’m looking forward to getting to know you. When you see me on campus, don’t be shy about introducing yourself and talking. I try to greet as many students as I can, but I’d love it if you tap me on the shoulder and tell me who you are and how your student experience is going.

As the years speed by—and believe me they will—I will watch your progress with pride. In due course, I’ll be standing on the Miller Auditorium stage, ready to shake your hand and present your diploma. It will be a moment in which we both will feel a great sense of accomplishment.

Warmest regards,

John M. Dunn
President
An Amazon Best Book of the Month, September 2014: A flight from Russia lands in middle America, its passengers carrying a virus that explodes “like a neutron bomb over the surface of the earth.” In a blink, the world as we know it collapses. “No more ballgames played under floodlights,” Emily St. John Mandel writes in this smart and sober homage to life’s smaller pleasures, brutally erased by an apocalypse. “No more trains running under the surface of cities... No more cities... No more Internet... No more avatars.” Survivors become scavengers, roaming the ravaged landscape or clustering in pocket settlements, some of them welcoming, some dangerous. What’s touching about the world of Station Eleven is its ode to what survived, in particular the music and plays performed for wasteland communities by a roving Shakespeare troupe, the Traveling Symphony, whose members form a wounded family of sorts. The story shifts deftly between the fraught post-apocalyptic world and, twenty years earlier, just before the apocalypse, the death of a famous actor, which has a rippling effect across the decades. It’s heartbreaking to watch the troupe strive for more than mere survival. At once terrible and tender, dark and hopeful, Station Eleven is a tragically beautiful novel that both mourns and mocks the things we cherish. –Neal Thompson

The Common Read is designed to create an exciting reading experience that will inspire and promote a culture of reading and discussion as key activities to learning and college success. Participating in the Common Read will help:

• Unite and engage first-year students, faculty and staff in the campuswide educational community.
• Immediately integrate first-year students into the social and academic areas of campus.
• Introduce first-year students to academic expectations.
• Create a learning environment that reinforces diversity of thought and critical thinking.

Many faculty and staff will be reading the same book this summer and will be awaiting your arrival at Fall Welcome, where we will begin our discussion of “Station Eleven.”

Don’t forget to buy your book at Buster’s!
EXPERIENCE SUCCESS EARLY
ONLINE MODULES

1. Academic Success Choices
2. Financial Literacy 101
3. AlcoholEdu for College and Haven

Modules open July 15. You are required to complete all three prior to Aug. 26.

You will receive more information in early July.

These modules are designed to provide focused information, tips and strategies that will help you navigate, manage and balance the academic and social aspect of college life. Make sure to allow yourself adequate time to complete each module.

- Academic Success Choices takes 30 to 40 minutes.
- Financial Literacy 101 takes 90 minutes.
- AlcoholEdu for College takes 90 minutes.
- Haven for Sexual Assault takes 60 minutes.

FOR ADDITIONAL INFORMATION: (269) 387-2167
Your road map for success

Western Michigan University understands that going to college can be challenging as well as exciting. The first year of college is an exhilarating time filled with opportunities to grow, explore and be more independent. This is also a time of change, which can be intimidating or stressful. The same is true for students who are in the process of transferring to WMU, as they begin their career at a new university.

We are here with you to help you make a smooth transition into and through your first year at Western Michigan University.

WMU First-Year Experience programs are comprised of four essential components: New Student Orientation, Transfer Student Services, Fall Welcome and First-Year Seminar. Our programs build on one another, giving WMU students the assistance and support needed to establish a solid foundation for achieving academic and personal goals.

Studies show that students who are involved and engaged in their education, in comparison to those students who are not, will often experience greater success leading toward graduation. WMU knows that every student wants to achieve success. We have designed FYE to work in partnership with our students to ensure that they are prepared and ready for the next phase in their academic and personal lives.
New Student Orientation

Your Western Michigan University journey begins now! Here you will have the opportunity to learn about everything that WMU has to offer both academically and socially. You will make many new connections with faculty and staff as well as other new students, many of whom could become your friends for life. You will leave New Student Orientation with a lot of Bronco pride and the excitement of returning in the fall to begin your collegiate journey.

Orientation is for parents and families, too
Parents and families will be able to better understand the University environment and services, enhance parental awareness of issues facing college students, and learn about opportunities to support and interact with their sons and daughters while attending college.

What happens at orientation
You will have an opportunity to hear from many departments at Western Michigan University, including Student Financial Aid and Scholarships, First-Year Experience programs, Center for Academic Success Programs, Department of Public Safety, Residence Life, and Student Activities and Leadership Programs. You can meet many others at the University Showcase, Involvement Zone, and Parent and Family Mixer. Students will register for their fall semester classes, take a very informative tour through various services, and see a cabaret show from our award-winning theatre department depicting common themes of the first year of college and beyond.
Fall Welcome
wmich.edu/firstyear/fall-welcome (269) 387-2167

Fall Welcome
Aug. 31 – Sept. 2
Because of the many benefits students receive from Fall Welcome, all first-year students are expected to attend this program. No registration is needed.

Highlights of Fall Welcome
- Get settled into your room the week before classes start and learn your way around campus.
- Start meeting people, including professors, and making friends.
- Participate in events to help you learn about campus resources and how to join student organizations.
- Attend the Matriculation Ceremony and annual pinning ceremony.
- Tour downtown Kalamazoo.
- Experience dynamic speakers and exciting social events.
- Hang out at Waldo Stadium.
- Join Buster’s Moonlight Stampede—3K fun run/walk through campus.
- Receive the official Fall Welcome T-shirt and be eligible to win great prizes, including a laptop, mountain bike or partial tuition for a semester.

Parent and Family Hospitality Tent (outside of Sangren Hall)
Tuesday, Aug. 30, and Wednesday, Aug. 31, 11:30 a.m. to 5 p.m.
Move-in day can be hectic, stressful and sometimes emotional. We encourage you to take a break and visit our Parent and Family Hospitality Tent to enjoy refreshments, receive a WMU gift and enter a drawing for great prizes. Current students, campus faculty, staff and administrators look forward to chatting with you and answering any last-minute questions before your journey home.

Move in on Aug. 29 if you are:
- A new student in Lee Honors College.

Move in on Aug. 30 if you are:
- Enrolled in First-Year Seminar (FYE 2100).
- In Army ROTC or Air Force ROTC.
- In MLK Academy.
- Signed up for Emerging Leaders.

If you are not a part of these groups, move in on Aug. 31. Students who do not adhere to their move-in day will be charged an additional $100.

Move-in times are assigned by last name. See the full move-in schedule at wmich.edu/fye/fallwelcome.

Fee: $235 on campus or $165 off campus, charged to your student account in August. If you have remaining financial aid after tuition and fees, it will cover some or all of the Fall Welcome fee.

All first-year students are expected to attend.

Off-campus students:
We are excited to have you participate in Fall Welcome. You will be placed in a small group of students and are expected to attend.

Check in:
Check in will take place at the Flagpoles from 5:15-6 p.m.
Check in days are as follows:
Monday, Aug. 29, new students in Lee Honors College
Tuesday, Aug. 30, students enrolled in FYS 2100, Emerging Leaders, MLK Academy, ROTC and Air Force ROTC
Wednesday, Aug. 31, all students not mentioned above.

Move in on Aug. 29 if you are:
- Enrolled in First-Year Seminar (FYE 2100).
- In Army ROTC or Air Force ROTC.
- In MLK Academy.
- Signed up for Emerging Leaders.

If you are not a part of these groups, move in on Aug. 31. Students who do not adhere to their move-in day will be charged an additional $100.

Move-in times are assigned by last name. See the full move-in schedule at wmich.edu/fye/fallwelcome.

Fee: $235 on campus or $165 off campus, charged to your student account in August. If you have remaining financial aid after tuition and fees, it will cover some or all of the Fall Welcome fee.

All first-year students are expected to attend.

Off-campus students:
We are excited to have you participate in Fall Welcome. You will be placed in a small group of students and are expected to attend.

Check in:
Check in will take place at the Flagpoles from 5:15-6 p.m.
Check in days are as follows:
Monday, Aug. 29, new students in Lee Honors College
Tuesday, Aug. 30, students enrolled in FYS 2100, Emerging Leaders, MLK Academy, ROTC and Air Force ROTC
Wednesday, Aug. 31, all students not mentioned above.

Aug. 31 – Sept. 2
Because of the many benefits students receive from Fall Welcome, all first-year students are expected to attend this program. No registration is needed.

First-Year Seminar

What is First-Year Seminar?
First-Year Seminar is a two-credit-hour, academic and social transitional course for first-year students. This course is a great elective! It provides the tools necessary for first-year students to successfully transition from high school to college and connects learning with the reality of life.

First-Year Seminar at WMU
Our campus offers a variety of First-Year Seminar choices to meet the specific needs of first-year students. Check with your academic advisor and the course offering section in GoWMU for FYE 2100 details.

Why enroll in FYS?
• FUN • FRIENDSHIPS
• LEARNING • GROWTH
• ACTIVITIES • FACULTY
• STAFF • SUPPORT
• EXPERIENCE!

Course name:
FYE 2100
Make a smooth transition

The transition from one school to another can often feel a little daunting. Transfer Student Services is here to work on behalf of transfer students to assist them in their transition to Western Michigan University. Programs and services offered include:

**Transfer Transition Program**

This is a half-day program for transfer students beginning classes in either the summer I or summer II sessions or fall semester. Informational sessions include: financial aid, student engagement and involvement, employment opportunities and academic success services. Registration begins in early February. The cost of TTP is included in the $50 transfer transition fee and will cover you and up to three guests, including breakfast, lunch, orientation materials and more.

Session dates for 2016:
- Friday, April 22
- Friday, May 20
- Friday, June 10
- Friday, July 22
- Friday, Aug. 19

**Fall Welcome**

Students who choose to participate in this program will come to campus the week before fall semester starts. Throughout the three-day program, students will have an opportunity to be placed in a group with other transfer students, attend academic-related sessions, take a campus tour, check out student organizations and attend a few sessions geared toward transfer students. The fee is $235 for students living on campus or $165 for students living off campus. For registration and additional information, visit the First-Year Experience website at wmich.edu/firstyear/fall-welcome.

**Spring Orientation**

Much like the Transfer Transition Program, Spring Orientation is a half-day orientation program for both first-year and transfer students starting spring semester. Attendees will have an opportunity to attend a number of sessions including those on financial aid, employment opportunities, student engagement and involvement, and academic success services. Registration for orientation begins in mid-October. The cost of Spring Orientation is paid for through the $50 transition fee and will cover you and up to three guests, including breakfast, lunch, orientation materials and more.

Session date for 2016:
- Friday, Dec. 16

Get started on the right track

Prior to registering for your first semester of classes, you must contact your academic advisor. Your advisor can help to ensure that you are taking the appropriate courses - not duplicating work already completed, or in progress. You will also begin the process of planning for future semesters. Depending on your academic college, advising appointments can be completed in-person, via Skype, email or over the phone. Don’t delay your course registration, and see your advisor soon.

Transfer Student Services is available to assist transfer students with individual questions and concerns throughout their transition to WMU. During the course of the semester, students will receive periodic emails regarding important dates, program and service highlights, and more.

Please check out our website at wmich.edu/firstyear/transfer.

Start learning more about WMU! Check out the required transfer online modules. This tool is a series of eight online modules that cover important topics like University structure, Bronco Card, academic advising, parking, financial aid, computer center, recreation, graduate programs and more. Log into GoWMU and click on the Elearning button to find the modules and get started.
Academic INFORMATION
August 2016
29 One Stop Convenience Center opens (through Sept. 9)
30 Fall Welcome and move in begins for students in special programs (see wmich.edu/firstyear/fall-welcome)
30 Tuition and fees due
31 Fall Welcome and move in begins for all new students (through Sept. 4)

September 2016
1-2 Advising days
5 Labor Day recess
6 Fall classes begin at 8 a.m.
12 Last day to drop/add classes
12 Last day to receive 100% refund
14 $100 late add fee begins
14 Begin recording withdrawals as “W” on transcript
15 Last day to receive 90% refund for complete withdrawal
19 Last day to receive 50% refund for partial withdrawal
30 Last day to receive 50% refund for complete withdrawal

November 2016
7 Last day to withdraw from fall classes
23 Thanksgiving recess begins at noon (residence halls remain open with reduced services)
24 Thanksgiving (no classes Nov. 24-25)

December 2016
12-16 Final exam week
16 Residence halls close at 7 p.m.
17 Commencement
20 Fall semester grades released (late in the day)
January 2017

5-6 Advising days
6 One Stop Convenience Center opens (through Jan. 12)
9 Spring classes begin at 8 a.m.
9 Tuition and fees due
13 Last day to drop/add classes
13 Last day to receive 100% refund
16 MLK Jr. Day—recess, convocation and activities
18 $100 late add fee begins
19 Last day to receive 90% refund for complete withdrawal
23 Last day to receive 50% refund for partial withdrawal

February 2017

6 Last day to receive 50% refund for complete withdrawal
6 Summer 2017 registration begins

March 2017

3 Spirit Day (no classes)
6-10 Spring recess (residence halls remain open with reduced services)
12 Fall 2017 registration begins
12 Classes resume
13 Last day to withdraw from spring classes

April 2017

24-28 Final exam week
28 Residence halls close at 7 p.m.
29 Commencement

May 2017

2 Spring semester grades released (late in the day)
8 Summer I classes begin
29 Memorial Day recess

June 2017

24 Commencement
28 Summer I session ends
29 Summer II session begins

July 2017

4 Independence Day recess
5 Summer I grades released (late in the day)

August 2017

18 Summer II session ends
22 Summer II grades released (late in the day)

Calendars are subject to change. Dates and events are added and changed as information becomes available.
Where are you going?
Get started by attending an info session, offered daily!

Study Abroad

- Scholarships available, including for foreign language-based study and short-term, faculty-led programs.
- WMU offers more than 90 programs in 40-plus countries.
- Many short-term, summer programs led by WMU faculty.
- Credits count toward degree for many majors and minors, both undergraduate and graduate.
- International internships for credit.
- Most financial aid can be used to study abroad, including the Kalamazoo Promise and Michigan Education Trust.

wmich.edu/studyabroad

WMU Study Abroad
Information sessions and walk-in advising daily.
8 a.m. to 5 p.m. Monday through Friday
2425 Ellsworth Hall (second floor)
(269) 387-5890

Broaden your horizons!

**Become globally engaged!**

Make international friends!

**Learn about other cultures!**

• Choose major or elective courses with a global focus.

• Study a world language.

• Practice language skills in the Conversation Circles program.

• Join an international student organization.

• Participate in international student activities.

• Befriend exchange students in the Buddy Abroad program.

• Attend international topics lectures by experts from around the world.

• Be a student leader for international orientation—earn money and pad your resume.

Apply for prestigious national scholarships to study or conduct research overseas!

• Fulbright
• Boren
• Gilman

Volunteer for:

• Parade of Flags at WMU Homecoming
• International Festival
• Study Abroad Fair
• Many other opportunities available

Participate in WMU events hosted by:

• Center for African Development Policy Research
• Confucius Institute
• Soga Japan Center
• Timothy Light Center for Chinese Studies

Institute for Global Education
Degree Works

What is Degree Works?
Degree Works is a Web-based tool that helps students and advisors monitor a student’s progress toward degree completion. It is sort of like an online check sheet. It organizes academic coursework into blocks of requirements to help students easily identify courses that have been completed as well as those that are still needed in order to complete a degree.

Degree Works worksheet
The Degree Works worksheet displays the courses you’ve taken or are in the process of taking. It will also show your planned coursework, and provides information on completed and outstanding requirements necessary to complete a degree, major, minor or concentration. Degree Works does not replace a visit to an academic advisor. Degree Works is designed to aid and facilitate academic advising.

Is my information confidential?
Yes. Degree Works is accessed through GoWMU using your Bronco NetID and password.

Can I register for classes in Degree Works?
No. Degree Works is a snapshot of courses in progress, planned, and in academic history. Registration transactions (add, drop and withdrawal) still take place using your GoWMU account; however, real-time course information is available once registration is open.

Will I be able to plan for future courses?
Yes. With the help of your advisor, you can set up a degree plan that shows the courses you need to register for in each semester until graduation.

Are my grades visible in Degree Works?
Yes. Once grades have been processed at the end of the semester, they are viewable in Degree Works. Degree Works cannot be used as a transcript since it only shows your progress toward graduation. Transcript information can be found online at wmich.edu/registrar/transcripts.

GPA calculator
The GPA calculator is a convenient way to track and plan your GPA, especially since most departments have a minimum GPA requirement.

Access Degree Works
Log in to GoWMU and choose the Degree Works link. Your WIN and name will appear and you will be on the Worksheet tab. This page will list the degree requirements for your current program.
**Family Educational Rights and Privacy Act**

**To what records does FERPA apply?**

FERPA applies to all educational records in whatever medium that are maintained by WMU or by a party acting for the University, and directly related to a student.

**Is prior consent always necessary before releasing information from a student’s education record?**

Prior consent is not necessary to release or confirm directory information from a student’s education record unless the student has placed a “non-disclosure” or “confidential hold” request on his/her records. In addition, prior consent is not necessary under certain other conditions stated in FERPA, such as by court order or subpoena. However, it is WMU’s policy that information from a student’s education record be released only by the Registrar’s Office and within constraints.

Upon request, WMU may disclose education records without consent to officials of another school in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for purposes related to the student’s enrollment or transfer.

**Where can I get a copy of the law?**

**Directory information**

Directory information is information that WMU may disclose, but it is not required to do so. It is the policy of WMU to refrain from actively disclosing addresses and telephone numbers; however, this information is routinely verified. WMU does not disclose Social Security numbers, personal identification numbers, grades, grade point averages, class schedules, academic actions or the number of credits enrolled in a given semester or session. Currently enrolled students may withhold disclosure of directory information under FERPA. To withhold disclosure, students may complete the “Invoke Privacy of Directory Information” form online at wmich.edu/registrar/students/forms. The form may be submitted at any time throughout the year and will immediately affect prospective disclosures. To withhold information from the printed directory (published annually), please complete the form during the fall drop and add period. Western Michigan University assumes that failure on the part of any student to specifically request the withholding of a category of directory information indicates individual approval for disclosure. The following two categories of directory information may be withheld for current students, upon receipt of the “Invoke Privacy of Directory Information.”

**Telephone directory**

A telephone directory prevents the listing of student name, address, telephone number, major and email address in the Western Michigan University Telephone Directory. Requests to withhold your information from the campus directory must be submitted to the Registrar’s Office by 5 p.m. on the first Friday of the fall semester to have information withheld in time for the publication of that academic year’s Western Michigan University Telephone Directory.

**Confidential hold**

A confidential hold prevents the disclosure of all directory information including name, address, telephone number, WMU email address, curriculum and major field of study, dates of attendance and enrollment status (full or part time), degrees and awards received, most recent previous education agency or institution attended, participation in officially recognized activities and sports, and weight and height of members of athletic teams.

**Important note**

The Registrar’s Office is the keeper of all education records and treats the student’s education record with the utmost confidentiality. The University registrar is responsible for all education records and will share non-directory information about individual students with other school officials only on a need-to-know basis. This information has been developed by the Registrar’s Office to give general information about FERPA and to acquaint students, parents, faculty and staff with some of the privacy issues surrounding students’ educational records. This information is not intended as, nor is it a substitute for, legal advice on any particular issue.

Please contact the Registrar’s Office with any questions regarding FERPA at (269) 387-4300, or see wmich.edu/registrar/policies/ferpa/students.

---

**Do you have questions regarding the Family Educational Rights and Privacy Act?**

Contact the Registrar’s Office at registrar-info@wmich.edu or (269) 387-4300.
Center for Academic Success
wmich.edu/academicsuccess (269) 387-4411

Academic Resource Center

Supplemental Instruction™
- Offers you a chance to work regularly with a study group and to earn at least one full letter grade higher than those who don’t (based on SI annual data).
- Provides weekly review sessions led by students who’ve already excelled in the same class. Come as often as you like.
- Covers classes such as biology, chemistry, math and more.

Content Tutoring
- Helps you review class material in one-on-one or small group study sessions facilitated by trained tutors who have previously excelled in those classes.

College Success Seminars
- Cover personal and academic success strategies.
- Cover time management, test taking, effective reading strategies, test anxiety and many more topics.

wmich.edu/tutoring

Office of Military and Veterans Affairs

Our office will help make the transition from service member to student a smooth one by providing:
- Academic success resources
- Support for a healthy balance among academics, military commitments and personal responsibilities
- Mentorship and advising
- Answers to questions about financial aid and VA benefits
- Guidance in deployment policies and communicating with faculty

(269) 387-4411
wmich.edu/military

TRiO Student Success Program

Our grant-funded community
- Helps income-eligible, first-generation college students learn to excel.
- Provides mentoring and other leadership opportunities for our program’s students.
- Meets with students one-on-one twice a semester throughout their college career.
- Offers first-year seminars that help students adjust to college (fall semester) and confirm career and major plans (spring semester).

(269) 387-4440
wmich.edu/triostudentsuccess

Intellectual Skills Development Program

Faculty and staff across the University
- Work to determine writing and reading placement guidelines and policies.

Our staff
- Oversees your placement in or exemption from reading or writing classes.

(269) 387-4410
wmich.edu/placement

Alpha Program

- Assists a community of specially admitted first-year students who are committed to college success.
- Offers individual guidance, mentoring sessions and opportunities to engage in a wide range of campus activities.
- Teaches students to focus on self-motivation and personal success.

(269) 387-4410
wmich.edu/alpha
Exploratory Advising

Our staff advises all first-year students without declared majors. We:

- Provide personal academic advising to ensure you’re adjusting to all aspects of college—campus life, roommate, classes, etc.
- Review WMU degree requirements with you and help you choose courses that will meet the requirements and let you explore potential majors, minors and careers.
- Share information about the many WMU resources available to you.
- Provide guidance and direction with your career exploration.
- Recommend major and career exploration opportunities.

As an exploratory student, you will:

- Participate in Fall Welcome.
- Take FYE 2100: First-Year Seminar during your first fall semester.

During orientation, while meeting with your advisor, you will select and register for your fall semester classes. The courses you select will fill general education requirements, help you explore subjects of interest and serve as electives taken for enrichment.

(269) 387-4410
wmich.edu/exploratoryadvising

Office of Service Learning

Service learning provides students with opportunities to practice course content in the real world. Our office:

- Works with professors and instructors, students and community organizations to create and maintain service-learning projects for their classes.
- Assists students who are seeking service-learning opportunities.
- Creates opportunities for students to get involved in their community.
- Facilitates career exploration through direct experience in the student’s field of interest.
- Provides opportunities for students to network with others in their chosen fields.

(269) 387-4455
wmich.edu/servicelearning

Writing Center

Writing consultants will:

- Meet with you one-on-one to answer your writing questions.
- Help you on any writing issue—getting started, organizing ideas, proofreading, creating reader-centered texts and much more.
- Work with your writing from any class at any level (first-year to dissertation writing).
- Explain writing for specific readers (memos, annotated bibliographies, lab reports, etc.).
- Teach you about your college, workplace or writing tasks.
- Discuss essays for scholarships, WMU majors, any graduate or professional school, etc.
- Make sure you understand (finally) semi-colon usage, parallelism, active voice, dangling modifiers and more.
- Help you decode and apply required documentation styles, including APA, MLA, Chicago and more.

(269) 387-4615
wmich.edu/writingcenter
Your Bronco NetID is your access to GoWMU, Western Michigan University’s student portal. Access the portal from the WMU home page, or at gowmu.wmich.edu.

In GoWMU you will do many things including:

> Access your WMU email account.
> Manage your student account and financial aid.
> Browse the Course Catalog, register for classes and navigate Degree Works.
> Access ELearning, WMU’s online learning platform.
> Stay connected with your student organizations through GoRSO.
> Submit maintenance requests and schedule health and wellness appointments.
> Keep up to date with campus and individualized announcements.

And so much more.

The Student tab on GoWMU has a channel just for first-year students. Complete your post-orientation online modules here.

For more information or assistance, visit the Office of First Year Experience.
Why the Lee Honors College?

Lee Honors College faculty and staff strive to provide a welcoming, inclusive environment that encourages our students to pursue their passions through exceptional curricular and co-curricular opportunities. Our graduates will have the skills and commitment to become successful, engaged citizens of the world.

The Lee Honors College is home to more than 1,700 high-achieving students who are completing programs of study in every one of WMU’s seven academic colleges. Our mission is to provide an exceptional undergraduate experience for high-achieving students, to inspire in our graduates a thirst for the lifelong pursuit of creative inquiry and discovery, to provide our students with the skill and passion to address critical challenges, and to foster personal responsibility informed by a global perspective.

Opportunities include:

- Academic information
- Individualized academic advising
- Honors housing
- Study in the States and Study Abroad
- Research scholarships
- Freshman mentoring program
- Small class sizes
- Expert faculty
- Priority registration
- Seminars, lectures, performances and conferences
- Research and thesis opportunities
The Academic Heart of WMU

The College of Arts and Sciences represents the foundation of learning and the academic heart of WMU. With 26 departments and interdisciplinary programs, WMU’s largest college offers a broad range of learning opportunities and career paths for its students.

The College of Arts and Sciences students are among the very top students in the country having received the very competitive and distinguished Goldwater Fellowships and Fulbright awards.

The National Association of Colleges and Employers (NACE) Job Outlook Survey identifies the skills and qualities possessed by arts and sciences graduates as those qualities that are most prized valued by employers: excellent communication skills, ability to work in teams, and analytical thinking and problem solving.

Faculty of the College of Arts and Sciences rank among the finest scholars and researchers at WMU and in the country.
College of Aviation

UNDERGRADUATE MAJORS

Aviation Flight Science
The aviation flight science program prepares students for a professional pilot career, providing the skills and knowledge to become leaders in the cockpit.

Aviation Management and Operations
The aviation management and operations curriculum establishes a solid foundation in business, built specifically for success in the aviation industry.

Aviation Maintenance Technology
The aviation maintenance technology program prepares students for a variety of positions in the field of aircraft maintenance including management skills for team leadership.

Majors

Minors

Aviation Science
The aviation science minor provides basic and advanced topics for students seeking to enhance their undergraduate degree through studies in aviation.

Professional Aviation Preparation
Students interested in advancing their career as a pilot may take the professional aviation preparation minor to obtain their certified flight instructor ratings and further their knowledge.

Military Leadership and Aviation Studies
This minor is tailored for ROTC cadets and non-ROTC students who have an interest in military and aviation.

Ascend Higher.
As your WMU academic guides, the College of Education and Human Development academic advisors will partner with you to create and follow a comprehensive graduation plan so that you can meet your personal, educational, and professional goals. The TRiO Future Education Success Program (FESP), part of the advising office, provides additional support and resources to eligible participants in teacher education programs. Visit wmich.edu/trio-future-educators for more information.

Student success is embedded into the culture of the College of Education and Human Development (CEHD). CEHD students have access to academic and holistic success coaching, an academic discovery course, a weekly motivational campaign, a major-specific mentoring program, and other unique services. Beginning students can sign up for services during orientation or by visiting our website: wmich.edu/education/academics/student-success.
The College of Engineering and Applied Sciences provides an outstanding foundation in the classroom coupled with hands-on, practical experiences. Our four cornerstones guide our academic principles and prepare you for a rewarding career.

**Engagement**

At WMU, we focus our engineering and applied sciences education in a hands-on environment. Our students learn through extensive laboratory experiences and research. We embrace a design-build-present model of learning, which exposes our students to both competitive and research-oriented initiatives. Examples include the SAE Formula One race car, the solar-powered Sunseeker vehicle, the AIAA aircraft and the ASCE steel bridge.

**Leadership**

Our graduates enter the world ready to lead. Opportunities through our student organizations, professional affiliations, and guest lecturers offer a unique way to learn from the best in the world. The Custer Workplace Lecture Series brings corporate leaders from around North America to campus to meet with and give presentations to our students.

**Globalization**

Companies have customers and suppliers around the world, and our graduates are ready for the challenges they face in the global marketplace. We offer opportunities to participate in two- to 12-week study missions in a variety of countries. Our students also do internships and research for international corporations that may take them around the globe.

**Innovation**

We are a world leader performing applied, hands-on, real-world innovation that makes a difference to industry, people and society. More than half of our externally funded research comes from industry, and we do research funded by the National Science Foundation, Department of Energy, the United States Navy and the United States Air Force, to name a few.
Admission to any College of Fine Arts major requires acceptance from both admissions (through the University application process) and the unit (through the audition/review process). Admission is selective, and the competition is keen. Students planning to major in any art, dance, music or theatre program should begin by seeking detailed application or audition information from the unit’s website. All units expect to have openings for new majors in the spring 2017 semester. Advisors are happy to meet or talk with prospective students at any point in the process.

Each unit of the College of Fine Arts welcomes non-majors to many aspects of the program, whether students pursue a minor or participate in CFA productions and activities. Start by visiting the website below, then contact us with your questions.

Students accepted by portfolio application as art majors will be advised by:
Nick Gauthier, Academic Advisor
2104 Richmond Center for Visual Arts
Phone: (269) 387-2440, Fax: (269) 387-2477
nick.gauthier@wmich.edu

Students who have auditioned and been accepted as music majors or theatre majors will be advised by:
Debra Gambino, Academic Advisor
3117 Dalton Center
Phone: (269) 387-3210, Fax: (269) 387-3222
debra.gambino@wmich.edu

Students who have auditioned and been accepted as dance majors, music theatre performance majors or theatre majors will be advised by:
Dr. Julie Nemire, College of Fine Arts
Advising Director/Music Academic Advisor
2132 Dalton Center
Phone: (269) 387-4672, Fax: (269) 387-1113
julie.nemire@wmich.edu

WMU COLLEGE OF FINE ARTS COURSES OPEN TO ALL STUDENTS

wmich.edu/finearts/nonmajorcourses

School of Music ensembles are open to non-music majors by audition. Of particular interest to non-music majors are the following:

MUS 1080 Collegiate Singers
MUS 1090 Marching Band
MUS 1130 Concert Band
MUS 1180 Gold Company II
MUS 5220 KLOrk

See wmich.edu/music/ensembles/student for further information.

Courses open to non-majors are available in all areas of the College of Fine Arts. Check the list at wmich.edu/finearts/nonmajorcourses and contact an advisor in the area of interest for further information on eligibility. Not all courses are offered every semester. Please check course offerings.
The Haworth College of Business provides high-quality, student-centered business education through teaching, research and service activities that deliver exceptional intellectual and economic value to regional and international communities.

The college is the academic home to more than 3,800 undergraduate students majoring in 18 specialized areas of business. An additional 360 graduate students study business administration and accountancy.

**Majors**
- Accountancy
- Advertising and Promotion
- Business Analytics
- Business Law
- Computer Information Systems
- Economics in Business
- Electronic Business Marketing
- Entrepreneurship
- Finance
- Food and Consumer Package Goods Marketing
- Health Informatics and Information Management
- Human Resource Management
- Integrated Supply Management
- Management
- Marketing
- Personal Financial Planning
- Sales and Business Marketing
- Telecommunications and Information Management

**Minors**
- Accountancy
- Advertising and Promotion
- Business Analytics
- Business Mobile Development
- Computer Information Systems
- Entrepreneurship
- Finance
- General Business
- Insurance
- International Business
- Law
- Management
- Marketing
- Military Science and Leadership
- Real Estate

**Preparing students ...**
- To be excellent COMMUNICATORS.
- To be effective TEAM MEMBERS.
- To be CRITICAL THINKERS.
- To acquire a GLOBAL BUSINESS understanding.
- To gain knowledge about INFORMATION TECHNOLOGY systems.
- To understand ETHICAL BUSINESS practices.
- To have common BUSINESS KNOWLEDGE.

**New for fall 2016 freshmen**
The SPuRS Program
- Student
- Professional
- U--This is important, it is about you!
- Readiness
- Series

All BBA students must earn their SPuRS in order to be eligible to graduate with a BBA degree.

The Haworth College of Business is among an elite group of fewer than 5 percent of business schools worldwide that are accredited at both the undergraduate and graduate levels by the Association to Advance Collegiate Schools of Business. It is among a select 1 percent of business schools worldwide that have additional specialized accreditation for their accountancy programs.
Preparing professionals today. Transforming health care and human services tomorrow.

The College of Health and Human Services is an exciting place. As soon as you enter the building, you’ll feel the energy and excitement that comes from dedicated faculty and our enthusiastic students. We hope you’ll consider one of our exciting programs.

Bachelor’s degrees
- Health Informatics and Information Management
- Interdisciplinary Health Services with graduate preparation tracks in:
  - Audiology
  - Blindness and Low Vision Studies
  - Clinical Practice in Health
  - Occupational Therapy
  - Pre-Physician Assistant
- Nursing
- Social Work
- Speech Pathology and Audiology

Undergraduate minors
- Addiction Studies
- Gerontology
- Health Informatics and Information Management
- Integrative Holistic Health and Wellness
- Peace Corps Preparatory Program
- Social Work
Welcome, parents and families! WMU is providing the CareerParents program, where you will find all you need to know to help your students reach their career goals.

- Join an online community exclusively for the parents and families of WMU’s students. You will learn what your student needs to do to explore careers and build a job search plan.
- Participate in webinars featuring career authors, hiring managers and coaches so you can understand what your student will need to do to build a successful career strategy.
- Watch videos to see why your student needs to visit career services frequently.
- Discuss career issues and opportunities with other parents.
- Access the Employed Grad Workbook, Career Readiness Quiz and much more.

Financial Information
Welcome to Western Michigan University! Please review our checklist and make sure you have completed all necessary steps to ensure a smooth transition as you prepare financially for school.

Financial aid application process
- Request an FSA ID. Be sure to get one for you and, if needed, a separate one for your parents at fsaid.ed.gov.
- File the Free Application for Federal Student Aid, or FAFSA, at fafsa.ed.gov. Some aid programs have limited funding, so be sure to apply early. In accordance with announced updates from the federal government, you will be able to access the 2017-18 FAFSA as early as Oct 1, 2016, three months earlier than in years past. The current known FAFSA-filing deadline to qualify for Michigan state aid is March 1, 2016, but could possibly also be changed to an earlier date. More information will post on our website as it becomes available. When completing the FAFSA, please enter school code 002330 when prompted, to make sure we receive your information.
- Make sure you are admitted into a degree seeking program and submit all required transcripts.
- Watch your University email daily through GoWMU at gowmu.wmich.edu. You will be notified if you have requirements to complete.
- Visit the Registrar’s website for your estimated cost of attendance at wmich.edu/registrar/extra/tuition/calculator.

Award letter and award notification
- Continue to review your award package on GoWMU and submit any required documents as instructed. Requirements should be completed 30 days prior to the start of the semester.
- Report your private scholarships and additional resources for the year using the Scholarship Resource form at wmich.edu/finaid/resources/forms.
- Decline or reduce any undesired student aid using the Financial Aid Adjustment form located on GoWMU.
- Complete a Master Promissory Note and student loan entrance counseling if you are a new federal student loan borrower by visiting studentloans.gov. Parents may apply for a federal parent loan at wmich.edu/finaid/resources/forms.
- Stay enrolled and complete all courses with a passing grade.
  - Most aid requires full-time enrollment.
  - Dropping or withdrawing from classes could result in the loss or reduction of your aid, and may affect future eligibility.

Disbursement of financial aid
Disbursement of aid begins 10 days prior to the beginning of each term. If your disbursed aid exceeds your charges, you will receive your refund on or about the first day of class.

Setting up authorized users
Set your parent or third party up as an authorized user. The authorized user can view your bills, make payments or enroll in the payment plan. You may also give your parent or third party proxy access to view academic and financial aid information. Once your authorized user has logged in, this gives us permission to speak with the authorized user regarding your student financial information. For instructions on how to set-up an authorized user, please visit wmich.edu/registrar/students/authorized.
Financial Information

Financial Aid

wmich.edu/finaid  (269) 387-6000

Student communication
We use email to communicate a variety of official University information to students. Every student receives an email address, Bronco NetID and WIN at the time of admission. Student financial aid communications will be sent to your WMU email account. You may log in to GoWMU to check the status of your financial aid at any time. For security reasons, students must use their WMU email account and include their WIN to receive a response via email from our office.

Privacy
At WMU, we respect the privacy of our students and their families. In an effort to ensure that personal information is not relinquished to any unauthorized user, we practice the guidelines set forth under the Family Educational Rights and Privacy Act. Students may choose to give their parents or another third party access to their financial aid information by visiting the registrar’s website and creating an authorized user. For more information on authorized users, please visit: wmich.edu/registrar/students/authorized.

Your financial aid award
Your awards are determined based on the information that you and your family supplied on the Free Application for Federal Student Aid. If you have not yet filed a FAFSA, visit fafsa.gov and apply online today.

All programs are offered based on eligibility and the availability of funds. Your award is based on full-time enrollment and the initial information you reported.

Eligibility for aid
To receive federal financial aid you MUST:
• Meet specific enrollment requirements.
• Maintain satisfactory academic progress.
• Notify Student Financial Aid if you receive additional resources.
Other eligibility requirements may exist. Visit wmich.edu/finaid for complete policies.

Summer sessions
If you plan to attend summer I or summer II session, you must complete a separate financial aid application (in addition to the FAFSA). Forms are available in March at wmich.edu/finaid.

Financial aid from the state of Michigan
To receive your Michigan Competitive Scholarship or Tuition Incentive Program at WMU, or to transfer your scholarship from one school to another, you must notify the State of Michigan Office of Scholarships and Grants at (888) 447-2687.

Withdrawing from classes
The University’s tuition refund policy is not the same as the financial aid policy for complete withdrawal.

If you completely withdraw prior to the start of classes or do not attend any classes after the semester has begun, you are not eligible for financial aid for that semester and all financial aid payments must be returned.

If you completely withdraw after the start of classes, a portion of your financial aid may be returned.

It is highly recommended that you discuss your situation with a financial aid counselor before you withdraw. Dropping or withdrawing may impact your eligibility for current and future aid.

Financial Aid first!
The best way to pay for college
What about loans?
Federal Subsidized/Unsubsidized, Federal Perkins and Federal Parent PLUS loans are offered through the U.S. Department of Education. If you need additional funds after any grants and scholarships, you will want to consider these loans first. We encourage you to borrow only what you need. Get complete details at wmich.edu/finaid. Parents can find more information about the Parent PLUS Loan at wmich.edu/finaid/loans/plus.

You have the right to cancel or reduce your federal loans. Students who wish to reduce or cancel their loans should complete a Student Financial Aid Adjustment form. Parents who wish to cancel or reduce a PLUS loan must complete the Parent PLUS Adjustment form. These forms are available at wmich.edu/finaid/resources/forms.

Satisfactory academic progress
You must meet the Standards of Satisfactory Academic Progress to maintain your eligibility for aid. You must:
- Maintain a minimum GPA as required by your college or program.
- Pass a minimum of 67 percent of all attempted hours at WMU.
- Complete all degree requirements (this includes credit hours transferred to WMU) within 150 percent of the minimum numbers of credits to graduate (i.e. 122 minimum X 150 percent = 183 credit hours)

These standards are established to encourage students to complete their degree within a reasonable time frame. Your eligibility for financial aid may be in jeopardy for future semesters if the standards are not met. See the complete SAP policy online at wmich.edu/finaid.

Financial aid refunds
If you have completed all of your requirements for financial aid, then your aid will disburse into your WMU account approximately 10 days before the start of classes. (Check your requirements on GoWMU.) This financial aid will then be applied to the authorized charges at the University. If your financial aid exceeds the authorized charges, the WMU business office will process a refund that will be sent to you around the first day of classes. If you choose to defer an orientation fee or Fall Welcome charge, this may affect the amount of your refund for the fall semester.

Visit us at Bronco Express
Do you have further questions? We assist students with transactions and questions related to financial aid, payments, student accounts and general registration information. Walk-ins welcome—no appointment necessary.

WMU Student Financial Aid
Direct Costs, Tuition and Fees

Fall tuition and fees are determined at the Board of Trustees meeting in June or July. Tuition rates will be promptly communicated to students when they become available. Students with a major in the College of Fine Arts (freshman through senior), the College of Engineering and Applied Sciences (freshman through senior), or the Haworth College of Business (junior and senior) have a tuition rate structure specifically for those colleges.

A **Records Initiation Fee** of $300 will be assessed to all new degree-seeking students.

**Semester fees** include the Enrollment Fee of $411.50, Student Assessment Fee of $42 and Sustainability Fee of $8. Fees are subject to change.

Some courses also have “class fees.” For more information regarding tuition and fees, please visit the Office of the Registrar’s site at [wmich.edu/registrar](http://wmich.edu/registrar).

**Bill for tuition, fees and residence hall**

You will receive a mailed semester invoice (bill) approximately four to five weeks prior to the beginning of the semester if you are registered for classes as of the date the invoices are produced. An email from WMU Billing will also be sent to the student and authorized user when a new tuition invoice is available.

After the initial invoice, you must obtain access to your current balance due and class schedule through GoWMU (see “Viewing Your Account and Payment Information Online”). Authorized users will log in to the system at wapps.wmich.edu/authuser to access student account information.

We have included a couple of sample tuition invoices based on estimated rates for the 2016-17 academic year. Please see page 40 for a sample tuition invoice for a new resident student and page 41 for a new non-resident student.

**Monthly statements**

Monthly statements are available online after the 15th of each month for currently enrolled students. An email from WMU Billing is sent to students and authorized users when a new statement becomes available and there is a balance due. Students have approximately 15 days to make payment from the time the monthly statements are posted. Non-enrolled students will be mailed a monthly statement if there is a balance due.

**Please note the above tuition and residence hall rates are estimated amounts. The estimated tuition amount is based on a student taking main campus courses. The College of Engineering & Applied Sciences, College of Fine Arts and College of Business have a differential tuition structure. Tuition rates for Extended University Programs (EUP) Regional Sites, Online and Open Learning courses vary. View information on tuition and fees at wmich.edu/registrar/tuition/ and residence hall and dining fees at wmich.edu/housing/info/fees.**

*G (Grading Mode) - A = Audit, C = Credit / No Credit, L = Letter Grade

If you have course schedule questions, please call the Registrar’s Office at (269) 387-4300. If you do not plan to attend WMU you must WITHDRAW from your classes. If you do not withdraw from your classes in accordance with WMU’s refund policy, the charges will remain on your account. You will be responsible for payment. You may review the refund policy at wmich.edu/accounts-receivable/students.

This example invoice is to be used only as a guide to estimate the cost for the 2016-17 academic year. The financial aid you receive is determined by completing the FAFSA. Every student’s financial aid award will vary depending on individual circumstances.
Checks directly received at WMU will be securely processed electronically, under the rules governed by the National Automated Clearing House Association and the Federal Reserve Bank. The transaction will appear on your bank statement. Sending payment by check constitutes acceptance of these terms.

Pay at gowmu.wmich.edu with an electronic checking or savings transfer. Online payments by credit card are subject to a 2.75% convenience fee. Or you can mail the Payment Coupon with your check payable to WMU.

**Please note the above tuition and residence hall rates are estimated amounts. The estimated tuition amount is based on a student taking main campus courses. **G (Grading Mode) - A = Audit, C = Credit / No Credit, L = Letter Grade**

If you have questions concerning your invoice, please call (269) 387-6000. If you have course schedule questions, please call the Registrar’s Office at (269) 387-4300. If you do not plan to attend WMU you must WITHDRAW from your classes. If you do not withdraw from your classes in accordance with WMU’s refund policy, the charges will remain on your account. You will be responsible for payment. You may review the refund policy at wmich.edu/accounts-receivable/students.
**WMU email**

Please check your WMU email for all important announcements from the University. A message is sent to your WMU email account from WMU Billing informing you when a new statement or invoice is available on the Web.

**Viewing your account and payment information online**

To view your account and payment information, follow these simple steps.

1. Using your Bronco NetID and password, log in to GoWMU at gowmu.wmich.edu.
2. Click on the Payment and Account Information link under “My Self Service” on the home page.

**You can now view your e-bills and do the following:**

- Make a payment by electronic checking or savings.
- Make a payment by credit card (MasterCard, Visa, Discover or American Express), subject to a 2.75 percent convenience service fee by a third-party payment service.
- Sign up for e-refunds (direct deposit).
- View your payments.
- View your student ID/WIN on “My Profiles.”
- View your current account activity.
- Enroll in the payment plan.
- Set up authorized users to view your bills and statements, make payments, view account activity and enroll in a payment plan.

**If you want your parent or other authorized users to have access to your account, here are the options.**

**For online access:**

Students must set up a parent or other third party as an authorized user. The authorized user can view your bills and statements, make payments, view account activity and enroll in a payment plan.

---

**Student confidentiality and creating an authorized user**

Students can give parents, employers, etc., the ability to access account information. In compliance with the Family Educational Rights and Privacy Act of 1974, student financial and academic records may not be shared with a third party without written consent. Adding an authorized user is your written consent that an individual may access your account information and make payments on your behalf.

---

**Steps to set up an authorized user**

- Go to GoWMU: gowmu.wmich.edu.
- Log in using your Bronco NetID and password.
- From the student home tab, under “My Self Service,” click Payment and Account Information.
- Click on the “Authorized Users” tab.
- Click on “Add Authorized User.”
- Enter the email address of the person you want to add as an authorized user.
- Click yes or no on the information you want the authorized user to have access to.
- Click “Continue.”
- Read the agreement, then click “I agree” and “Continue.”
- You will receive the following message: “Thank you. We have sent an email notification to this person.”

(Nota: Authorized users have their own login IDs and passwords.)

- Repeat the above steps to add additional users.

The authorized user will receive two emails from WMU Billing. The first email will state they have been granted access to the student account and the second email will include the temporary password to log in to the system. Authorized users will log in at wapps.wmich.edu/authuser for access to student account information.

All authorized users must log in to the system and enter their name before we can speak to them over the phone or in person regarding a student account.

**For non-online access:**

If the person does not have access to email, simply print a copy of your latest billing statement and provide it to him/her. Please include your Western Identification Number with any payment mailed to the University.
To make a payment

Students and authorized users can pay on the Web with an electronic transfer from a checking or savings account. You may also pay online with a credit card (MasterCard, Visa, Discover or American Express), subject to a 2.75 percent convenience service fee by a third-party payment service.

Mail a check payment with the coupon from the Tuition, Fees and Residence Hall Invoice to WMU using the envelope provided. Please allow five business days for processing.

Using a drop-box payment envelope, deposit a check into the payment drop box located at Bronco Express on the lower level of the Bernhard Center.

Pay in person at Bronco Express on the lower level of the Bernhard Center with a check or cash. Please note all cash payments must be made at Bronco Express. No credit or debit card payments are accepted at Bronco Express. If mailing a check payment, send to Western Michigan University, Cashiering, 1903 W Michigan Ave, Kalamazoo MI 49008-5282. Please include your Western Identification Number with all transactions.

Payment plans

The University's payment plan allows students to spread their account balance for the semester over a predetermined number of installment payments. The student or authorized user can sign up for the payment plan during the open enrollment period each semester. There is an enrollment fee for the payment plan and the amount is provided prior to open enrollment for the plan. You can enroll in a payment plan using a checking, savings or credit card. All credit card payments are subject to a convenience service fee of 2.75 percent. All payment plan installments will be automatically charged on the payment due dates.

An authorized user may enroll in a payment plan for their student at wapps.wmich.edu/authuser.

Refund of excess financial aid funds and direct deposit

An overpayment or excess financial aid paid to your account will be refunded to the student. This refund can be directly deposited into the student's bank account or will come in the form of a check payable to the student. Students may follow the steps below to sign up for electronic refunds.

- Students go to gowmu.wmich.edu.
- Click the Payment and Account Information link under “My Self Service.”
- Click on the “My Profiles” tab.
- Select “Add New Payment Method.”
- Enter a payment method to receive your electronic refunds.
- Under “Refund Options,” click on the box to indicate this is the account you want to use for refunds.

All refunds to parents for Parent PLUS Loans will be by check.

Registration, drop/add period, withdrawing from classes and the Tuition Refund Policy

For more information regarding registration, the drop/add period, withdrawing from classes and the Tuition Refund Policy, please visit wmich.edu/registrar. If you are a financial aid recipient and withdraw from all of your classes, federal regulations mandate that we calculate the amount of financial aid that must be repaid to the federal grant and loan programs. In some cases, this may result in us sending some or all of the federal funds provided to you back to the federal government. This may cause a balance owed on your University account.

Failure to pay

Failure to pay may result in the inability to register for future semester courses and receive an academic transcript. All amounts delinquent beyond the due date will be assessed a service charge of 1.5 percent per month (18 percent annually). If your account becomes more than 45 days delinquent, it may be placed in collections and collection costs added.

Registration holds

Students may not be allowed to register for classes if they have:
- An amount due on their University student account.
- An amount due for parking violations (payable at Parking Services or online).
- Other holds, such as academic, social, etc.
for banking with just two requirements. Thumbs.

With Virtual Wallet® Student, you can:
• Bank when and where you want with Mobile Banking
• See your spending habits with Spending Zone
• See what’s left after bills with Money Bar®
• Find PNC branches or ATMs with the PNC Finder App

Visit our branch or sign up online at pncvirtualwallet.com/college

Your nearest PNC branch:
Lower Level Bernhard Center Kalamazoo, MI 49008

PNC does not charge a fee for Mobile Banking. However, third party message and data rates may apply. These include fees your wireless carrier may charge you for data usage and text messaging services. Check with your wireless carrier for details regarding your specific wireless plan and any data usage or text messaging charges that may apply. Also, a supported mobile device is needed to use the Mobile Banking App. Mobile Deposit is a feature of PNC Mobile Banking. Use of the Mobile Deposit feature requires a supported camera-equipped device and you must download a PNC mobile banking app. Eligible PNC Bank account and PNC Bank Online Banking required. Certain other restrictions apply. See the mobile banking terms and conditions in the PNC Online Banking Service Agreement.

This app uses the location services provided by the device to determine your location. PNC does not capture or store any location data. Location information is used only to provide the app with “nearby” PNC branches and ATMs.

The student affairs staff is committed to helping you achieve success and support your learning. We welcome the opportunity to help you reach your educational, career and personal goals.

Whether you are utilizing health and wellness services, living in a residence hall, participating in intramural sports or joining a student organization, we are here to help you.

For a complete list of services, please visit wmich.edu/studentaffairs

MISSION: Student Affairs fosters involvement, growth and development in safe, healthy and inclusive learning environments.
The Next Generation of University Living

- Nine unique food venues
- Restaurant-style environment
- Fresh food prepared in front of guests
- Located in the scenic Valley residential neighborhood

Valley Dining Center

Opening Fall 2016

FLEXIBLE HOUSING OPTIONS

So you have choices throughout your WMU career!

(269) 387-4735 | rl-info@wmich.edu | wmich.edu/housing

**Residence Halls**
Most first-year students choose the convenience and support of living on campus. It’s the best way to get the total campus experience and meet a variety of people.

**WMU Apartments**
Perfect for upper-level students and students with families.
- Elmwood
- Goldsworth Valley
- Stadium Drive

**Spindler Hall**
An independent housing facility for doctoral, graduate, senior and non-traditional students who are at least 21 years old.

**Western View**
Apartment-style housing designed for upper-level and graduate students. Community Center with fitness area.

wmich.edu/students/planning
WHAT HAPPENS BETWEEN NOW AND MOVE-IN?
If you have not received it, you will be getting your room assignment shortly. Watch for an email to your WMU account, and follow the link to look up your hall and room. Included in the email will be the housing rates and information about MicroFridge rentals, futons and carpet vendors. In late July, we will send another email to access your roommate’s name and contact information. Details about move-in will be included in the roommate email.

IS IT POSSIBLE TO REQUEST A DIFFERENT HALL OR ROOMMATE?
Once housing assignments go out and spaces are full, flexibility does not always exist to move people around. If a change is critical, you can put your name on a waiting list for a hall, learning community or roommate change. We will make every effort to accommodate the change during the summer, but most likely changes will be made after the second week of school when more spaces open up. wmich.edu/housing

HOW BIG IS MY ROOM, AND WHAT’S IN IT?
Check out room dimensions, furniture lists and other great information: wmich.edu/housing/options (select your hall) wmich.edu/housing/new-students

Plan to use University-provided furniture since it may not leave the room. In-hall storage is not available.

HOW DO I GET A MICROFRIDGE, CARPET OR FUTON?
Residence Life works with vendors to give you convenient options for your room. All of these products can be ordered online, and those ordered by the mid-August deadline will be waiting in your room when you arrive.

For products, order deadlines and costs: wmich.edu/housing/vendors

CAN I BRING MY OWN MICROWAVE, TV AND OTHER ELECTRONICS?
Yes. All electrical equipment must have an approved UL rating. We support Energy Star-rated equipment. Microwaves and refrigerators should draw 1.5 or less amps of electrical current. We recommend you also bring multi-outlet strips with a circuit breaker so circuits do not get overloaded. Each room is limited to two multi-plug outlet strips. Appliances or equipment may never be directly wired to a residence hall or mounted on the walls. Appliances with exposed heating elements or no auto shut-off are prohibited.
ARE THERE THINGS I CAN’T BRING?
For safety reasons, there are some items that are not allowed in the residence halls. These include:
• Coffee makers (unless there is an auto shut-off and internal heating element–brands like Keurig are approved)
• Tobacco and tobacco-related products (chew, e-cigs, cigarettes, etc.)
• Candles and incense
• Hookahs
• Subwoofers
• Personal mattresses
• Multi-arm/spider lamps
• Toasters/toaster ovens
• George Foreman-style grills
• Space heaters/air conditioners
• Items with exposed heating elements
• Memo boards for the outside of room doors
• Irons (unless there is an auto shut-off)

Packing suggestions and full list of what not to bring: wmich.edu/housing/new-students/bring-list

WHERE DO I DO LAUNDRY?
Laundry rooms are in each hall. Machines take quarters, but most students use LaundryBUCKS, an account located on your student ID that is then swiped to activate a unit. wmich.edu/vending/laundry

Western Heights residents have a different laundry system. wmich.edu/housing/westernheightslaundry

WHO WILL BE THERE TO HELP ME DURING THE YEAR?
Resident assistants live on each floor. RAs are upper-level students who have skills in connecting with others, listening to concerns and knowledge of campus services. They create a floor community through hall activities, assisting students with personal and academic concerns, and helping in emergency situations. RAs should be the first person you go to for questions, guidance and involvement in hall activities.

Managing each residence hall is a full-time professional hall director who has an advanced degree in higher education/student affairs, counseling or a related field. The hall director lives in the building and is responsible for student staff supervision, facilities management, crisis intervention and creating an environment supportive of education and self-discovery. There is also a graduate assistant who lives in the hall and assists the hall director.

CAN I HAVE GUESTS SPEND THE NIGHT?
You may have guests stay overnight if the guest is at least 18 years old and your roommate and/or suitemates consent. There is a limit of two guests per person per night, and guests may stay no more than two nights. Guests must have a valid state-issued ID card.

HOW DO I SEND OR RECEIVE MAIL?
Outgoing mail is dropped off at the front desk and picked up daily. Incoming mail is distributed at 5 p.m. Monday through Saturday, and roommates share a mailbox.

WMU addresses use a “plus 4” zip code extension that is specific for each hall. Details are online: wmich.edu/housing/new-students/mail

DO I NEED RENTER’S INSURANCE?
Renter’s insurance for theft or property damage is not provided as part of the housing contract. Many students are covered under their family’s homeowners or renters insurance, so inquire with the policy’s agent.

WHAT ABOUT INTERNET AND CABLE ACCESS?
Wireless access is available in your room, public areas of the hall and the dining centers. Personal wireless hubs are prohibited in student rooms.

High-speed Ethernet ports are also in your room to connect you to ResNet. There is one port per person. Internet service: wmich.edu/it/resnet/

Digital cable service is provided at no charge. Channel lineup: wmich.edu/it/cable

Top 5 Things

1. **We have a variety of flexible meal plan choices.**

2. **Your meal plan is accepted at any dining center.**
   - There are four self-serve style dining centers.
   - Meal plans can be used to access the dining center, order online, carryout, or at Draper Carryout Express.
   - To use your meal plan, simply have your WMU Bronco ID swiped at the door.

3. **Many food choices are available.**
   Each menu has two entrées. Vegetarian entrées served at breakfast, lunch, and dinner. Cooked-to-order options are available Monday through Friday, such as eggs at breakfast and grill selections at lunch and dinner at all dining centers. A specialty venue concept is served in each dining center to further expand menu choices. Bistro3 and the Valley Dining Center feature fresh and healthy food choices prepared in front of guests, within a contemporary restaurant-style environment.

4. **Dining centers serve continuously.**
   Dining centers are open continuously from breakfast through dinner, Monday through Friday and for select hours on the weekend.

5. **Dining Dollars are included with every meal plan.**
   - A Dining Dollars account is a prepaid account used by swiping your WMU Bronco Card.
   - Dining Dollars are accepted at any WMU Campus Café or for guest meals in dining centers.
   - You can easily add more Dining Dollars to your account online at wmich.edu/dining/payment/diningdollars.
   - Dining Dollars included with the meal plan do not carry over to the next semester.

**WMU Dining Center Meal Plans**
Access to any dining center or carryout
- **Bronco Gold** | unlimited access
  $50 Dining Dollars per semester.
- **20 Meal** | 20 meals per week
  $75 Dining Dollars per semester.
- **15 Meal** | 15 meals per week
  $50 Dining Dollars per semester.
- **10 Meal** | 10 meals per week
  $25 Dining Dollars per semester.

**Campus Dining Center Locations**
- **Bistro3** | FOUR Micro-restaurants
- **Burnham Dining Center** | Extreme Greens
- **Hoekje/Bigelow Dining Center** | Marketplace Grill
- **Valley Dining Center** | NINE Micro-restaurants

Residence Hall Students need to know about Dining Centers

Student Affairs | wmich.edu/students | 2016-17
A Dining Dollars account is a prepaid account that can be used at any dining center including SEVEN campus cafes and FOUR dining centers. Have your WMU Bronco Card swiped at the door or cash register and your purchase will be deducted from your Dining Dollars balance. Sign up online at: wmich.edu/dining/payment/diningdollars

Commuter meal plans are available to residents of WMU Apartments, Western View, Spindler Hall and students living off campus. Convenient locations and dining centers open until 10 p.m.

Meal plans may be charged to your student account or purchased online with Visa, MasterCard or Discover credit cards.
Welcome to our WMU Community—parents, guardians, family members, and mentors.

Parent and Family Programs supports our WMU families while encouraging students to move into increasing independence and self-advocacy.

Sign up for the WMU Family Connection online to receive important date reminders, campus updates, tips and advice. Also receive the 2016-17 Parent and Family Guide with information about WMU’s resources and support articles.

Join the WMU Parent and Family Facebook page for campus event reminders and timely student-support articles.

Visit wmich.edu/parents for a wealth of information to promote student support.

What to do while in Kalamazoo

- Bronco Athletic home games (wmubroncos.com)
- Homecoming and Family Weekend during fall semester
- WMU Theatre performances, School of Music concerts, dance productions and student art exhibits
- Art Hop in downtown Kalamazoo, first Friday of each month
- Broadway shows at WMU’s own Miller Auditorium
- Annual festivals: Blues Fest, Island Fest, Ribfest and Taste of Kalamazoo
- Live music and great food at the Union Cabaret, a partnership between the WMU School of Music and the Millennium Restaurant Group
- Dine at one of the many wonderful restaurants in Kalamazoo (The best view of Kalamazoo is at the Skydeck above Monaco Bay)
- The Kalamazoo Institute of Arts, the Air Zoo, the Gilmore Car Museum and the Kalamazoo Nature Center
- Last and most important, attend your student’s Commencement ceremony, the perfect finish to an excellent WMU education.
The Invisible Need Project

A multi-faceted initiative serving students with unmet needs, while strengthening the culture of giving at WMU. The Invisible Need Project engages the entire campus community, encouraging faculty, staff, administrators and fellow students to come together to help those in need.

**Student Emergency Relief Fund**

T-shirts are sold annually to the campus and community with 100% of the proceeds dedicated to the Student Emergency Relief Fund. This fund assists students with various immediate needs, not covered by financial aid, which could force them to leave WMU and abandon their education pursuits.

The Invisible Need Project partners with campus departments and community agencies to create, market and sell shirts to all interested parties.

**HOW TO SUPPORT THE STUDENT EMERGENCY RELIEF FUND?**

- Buy a shirt
- Make a cash donation
- Become a shirt sponsor

**WMU Food Pantry**

In recent years, campus communities across the nation have recognized that there are large populations of students who experience food insecurity. Our food pantry is open to all WMU students struggling to make ends meet. Campus food banks have become a critical resource for students in need.

**HOW TO SUPPORT THE WMU FOOD PANTRY?**

- Donate food items
- Make a cash donation

**Bryan and Kathy Staufer Health Emergency Fund**

Offers financial support for uninsured and underinsured students using the Sindecuse Health Center. It does not pay out funds to students, but rather pays for their (approved) medical expenses at Sindecuse. Ways to support would be to make a donation to this fund.

Visit MyWMU.com/invisibleneed to learn how to get involved.

OFFICE FOR SUSTAINABILITY

During the first few weeks of school, each new incoming WMU student is given a free, high-quality, ISO-certified, 15 oz. stainless steel mug, called the EcoMug or a 17 oz. stainless steel water bottle, called the EcoJug. Both can be purchased in the office.

The Office for Sustainability is located on WMU’s main campus at the corner of S. Howard and W. Michigan. Office hours are Monday through Friday, 8 a.m. to 5 p.m.

The Bike Stable is the Office for Sustainability’s clearinghouse for non-motorized transportation education, advocacy, and policy efforts. It leads workshops, group rides, guided tours, research and the Open Bike Shop.

Located at Parkview, the Gibbs House is an emerging program run by the Office for Sustainability that serves as a living laboratory for students to implement their sustainable design solutions and projects.

What We Do
- EcoMug and EcoJug
- Bike Stable
- Gibbs House
- Waste reduction
- Aquaponics
- Bronco Bikes
- Internship
- Gardens and permaculture
- Green jobs
- Electric vehicles
- Vermicomposting
- Black soldier fly larvae
- Experiential learning
- Sustainability events

How To Get Involved
Volunteer, apply for jobs, write a Student Sustainability Grant

WHAT IS CAB?
CAB is WMU’s student-run programming board! We put on weekly events for students to attend both on and off campus, ranging from concerts to movies to comedy shows. Most events are only $1 admission with a Bronco ID and all are student-planned and run!

WHEN IS CAB?
CAB meets every Monday at 8:30 PM in Room 208 of the Bernhard Center. Meetings are open to all and new members are strongly encouraged. Most CAB events are Thursday nights at 8 or 9 PM. Class conflict? No problem! Just ask - CAB will help you get involved.

WHY JOIN?
Want to help book your favorite band? Curious about what it takes to host a magician? CAB offers students real event planning experience and provides members with a welcoming and diverse student community every Monday.

MISSION STATEMENT
Campus Activities Board is a student driven, inclusive community that provides diverse entertainment while developing students into active, empowered, and connected members of campus.

Join CAB today!

FOLLOW @WMUCAB ON SOCIAL MEDIA!
Office of Vice President

Bronco BUDS: Bronco Building Unique Dynamic Students is an annual collaboration between WMU and Kalamazoo Public Schools to create a college-going culture by exposing approximately 1,000 sixth grade students to higher education each year.

Diversity Discussion Series (Real Talk): This program serves as a catalyst to promote, celebrate and increase awareness about diversity at WMU; to recognize cultural differences and similarities; and to encourage cross-cultural interaction.

Kalamazoo Promise: This program strives to increase student academic performance, retention and college graduation for Kalamazoo Promise scholarship recipients. Staff members are available to assist Kalamazoo Promise Scholarship recipients in navigating their college experience.

Everyone Counts Diversity Learning Communities: This program consists of multiple cross-disciplinary groups of 10 to 12 participants who meet twice per month for two hours to study and discuss topics in an in-depth, ongoing, scholarly and systematic manner. Participants have the opportunity to design and pursue projects, research or courses applicable to new ideas and information. The topics include disability, access and holistic inclusion in higher education; religion, faith, ethics, and belief in secular institutions of higher learning; lesbian, bisexual, gay and transgender inclusion in higher education; race, privilege and power; and women faculty, staff and students in higher education.

For more information, call (269) 387-6313 or stop by our office in the Trimpe Building.

Disability Services for Students

Disability Services for Students was established to ensure students with disabilities have equal access to WMU programs of study and facilities. The office, in collaboration with other University units, helps students determine appropriate academic accommodation, assists them in acquiring residential and facilities accommodation, and offers development programs.

The following definition and explanation cover disabilities under the law:

A person with a disability includes any person who has a physical or mental impairment that substantially limits one or more life activities. Major life activities include walking, seeing, hearing, speaking, breathing, learning and working.

Students with disabilities have the right to access education. With proper documentation, Disability Services for Students can assist with classroom accommodation and advocacy for institutional accommodations, as well as provide services and resources. No qualified person shall, by reason of disability, be denied access to participate in, or draw the benefits of, any program or activity operated by WMU.

Transportation for students with mobility issues: Disability Services for Students uses a four-seat, enclosed Gator golf cart to help students get around campus. Students who have temporary conditions (such as broken legs), use canes and wheelchairs, have vision impairments, or have other specific disability issues may arrange for the Gator to pick them up and take them to on-campus buildings. This is a free service.

Peer Mentor Program: Disability Services for Students hires peer mentors to work with up to 10 students with disabilities to help them navigate university life. The mentors are hired based on GPA, level of study, registration with Disability Services for Students and academic success. Mentors meet weekly with their mentees to provide strategies for study, assistance in discussing accommodations with professors, and discussion of the challenges faced outside of the classroom. Additional information and an application to the Peer Mentor Program are available through Disability Services for Students.

For more information, visit wmich.edu/disabilityservices, call (269) 387-2116, email dss-exams@wmich.edu, or stop by our office in Woodlawn Place.

Office of LBGT Student Services

The Office of Lesbian, Bisexual, Gay and Transgender Student Services provides support, education and advocacy on campus to create a welcoming environment that supports all people, inclusive of sexual orientation and gender identity. We are pleased to engage the WMU community this semester with a number of exciting programs and opportunities including the Western Reel Pride Wednesday film series, First-Year Pride Alliance, Books and Beans book club, SpeakOUT! Speakers Bureau panels, Safe on Campus Training, Stoplight Discussions Series and Lavender Graduation. Connect with us on Facebook at facebook.com/wmulbgt to learn more about our upcoming events and to see how you can get involved! For more information, visit wmich.edu/lbgt, call (269) 387-2123 or stop by our office in the Trimpe Building.
Division of Multicultural Affairs

The Division of Multicultural Affairs strives to ensure that all students are given the full opportunity to discover and develop their talents, interests and unique potential by providing a learning-centered environment that presents the context for intellectual, cultural, professional and personal growth. This is accomplished through the following programs and services.

Programs offered by the Center for Student Learning and Development

The Alpha Kappa Mu Honor Society at WMU is a member of the National Association of College Honor Societies. Initiated at WMU in 1989, it is the only chapter of Alpha Kappa Mu in the state of Michigan. The purpose of the Alpha Kappa Mu Honor Society is to promote high scholarship, encourage sincere and zealous endeavors in all fields of knowledge and service, and develop an appreciation for scholarly work and scholarly endeavors in others.

The Martin Luther King Jr. Academy is a four-tiered comprehensive program designed to offer academic, social and professional development support and services to participants from their first year at WMU through graduation. At each level, students are provided academic course review and coaching, tutoring, and programming in campus life, socialization, culture and wellness.

The Western Michigan University College Assistance Migrant Program is federally funded by the U.S. Department of Education's Office of Migrant Education. The program's goal is to provide supportive services to migrant and seasonal farm workers or their dependents, empowering them to successfully complete their first year of college and persist toward degree attainment. WMU-CAMP provides services and resources in the areas of academic guidance, career planning and development, and intellectual and cultural enrichment, as well as some financial assistance based on individual need.

The Mentoring for Success Program is a peer mentoring program designed to promote program participants' success through increased acceptance rates into participants' intended majors and increased college graduation rates. The program is geared toward achieving specific academic and developmental goals that are focused on participants' overall development.

Peer mentors provide undergraduate students in our target population academic support through one-on-one and small-group mentoring sessions, during which they may tutor, facilitate discussions, help students locate resources, and promote academic and life skills development.

Mission: To ensure equitable access for all, the Office of Diversity and Inclusion provides leadership by working collaboratively with the University community to identify and overcome institutional barriers and affirm the dignity, value and uniqueness of each member of our community.

Vision: Western Michigan University will be a leader in the area of diversity and multiculturalism by fostering an environment where diversity in all of its forms is investigated, explained, practiced, celebrated, affirmed and vigorously pursued.

Programs offered by the Center for Pre-College Initiatives

The Michigan Campus Compact Service-Learning Project engages WMU students in service-learning opportunities that address issues around college access for youths and families who historically are less likely to attend college. Service learners visit local schools and community-based organizations to provide tutoring, help students and their families understand the college application process, and assist with preparation for a post-secondary education.

The Michigan GEAR UP Program provides an opportunity for high school students to discover firsthand the potential of a college education. It exposes students to the information, knowledge and skills necessary to complete high school and prepare adequately for college entry and success.

The Upward Bound Program offers support services to help participants succeed in high school. Upward Bound serves low-income or first-generation high school students who are preparing to enter post-secondary institutions.

Mission: To ensure equitable access for all, the Office of Diversity and Inclusion provides leadership by working collaboratively with the University community to identify and overcome institutional barriers and affirm the dignity, value and uniqueness of each member of our community.

Vision: Western Michigan University will be a leader in the area of diversity and multiculturalism by fostering an environment where diversity in all of its forms is investigated, explained, practiced, celebrated, affirmed and vigorously pursued.
Parking Services

Hello, new Broncos!

The parking division of Western Michigan University would like to welcome you to our beautiful campus. Below is information to help you navigate through the parking system at WMU.

• All motor vehicles, including motorcycles and mopeds, parked on Western Michigan University property by employees, students and people residing on campus must be registered with the Parking Services office and shall properly display a WMU parking sticker or parking permit.
• We offer academic yearly permits for $300 and semester permits for $180. Parking permit options also include temporary daily permits for $5 and weekly permits for $15.
• When Parking Services is closed, temporary parking permits may also be purchased at the WMU Police Station, 511 Monroe St, Kalamazoo MI 49006; (269) 387-5555. The police station is open 24 hours a day.
• Parking permits must be paid in full at the time of purchase by cash, check or credit card (MasterCard, Visa and Discover). All open or unpaid tickets must be paid before a new permit can be obtained.
• A WMU Bronco Card, driver’s license and current vehicle registration certificate are needed to complete the vehicle registration process. An apartment lease is also required for those students who reside in an on-campus apartment.

2016-17 permits will be available for purchase Aug. 1, 2016.

Yearly permits may be purchased in person at Parking Services, at the One Stop Convenience Center during designated dates and times, and at Lawson Ice Arena during designated dates and times. Yearly permits are valid from Sept. 1 through Aug. 31.

Student yearly permits may also be purchased online from Aug. 1 through Aug. 22, 2016, at wmich.edu/parking. After a permit is purchased online, instructions will include information regarding pick-up locations. Permits will not be mailed.

We are so happy to have you at WMU!
WMU Department of Public Safety Quick Facts

Location: 511 Monroe Street—across the street from Waldo Stadium

Hours: Open 24 hours a day, 365 days a year

Phone: (269) 387-5555 or 911 on campus phones—both numbers show caller ID, so the location of the call is known. (Calling 911 on a cellphone takes you to the Kalamazoo Department of Public Safety.)

WMU police department: We staff 28 sworn police officers and two detectives with full arrest powers throughout the county. All officers are trained in first aid and CPR/AED. Portable automated external defibrillator units are carried in the police cars. Other public safety divisions include: Parking Services, (269) 387-4609; Emergency Management, (269) 387-5555; and Security Administration, (269) 387-5555.

Safety: Safety is a mutual effort. Pay attention to your instincts. If you see something unusual, say something. Students are encouraged to report crimes and suspicious behavior immediately. Be aware of your surroundings and scan the area for dangers including car traffic and suspicious persons. Be extra cautious when using earbuds, texting or talking on the phone. Keep doors locked. Most thefts occur when doors are unlocked or property is left unattended. Never leave valuables in plain view in your room, apartment or vehicle.

- There are more than 100 emergency call boxes around campus near sidewalks, parking lots and buildings. These ring into the WMU 911 emergency line and can also be used for non-emergency calls to public safety. The dispatcher has the location of the call.
- WMU has a contract with Life EMS Ambulance to transport to Kalamazoo’s two hospitals: Bronson Hospital, located downtown, or Borgess Hospital, about 10 minutes away.
- WMU offers vehicle and walking escorts during fall and spring semesters in the evening and early morning hours. Call (269) 387-RIDE (387-7433).
- Weapons are prohibited on WMU property. For specifics, please visit wmudps.wmich.edu/doc/weaponsfree.pdf.
- Register for WMU Alert to receive emergency notifications.
  - The system allows thousands of simultaneous phone calls and text messages to be dispatched.
  - Registration is quick and easy through GoWMU.
    - Log in to GoWMU with your Bronco NetID and password.
    - Click on the yellow and red WMU Alert registration triangle.
    - Enter your phone number and select if you want to receive text messages (for text-capable phones), phone calls or both.
- WMU’s annual security report is available online at wmudps.wmich.edu/documents/annualreport.pdf.
The ASC is provided at no cost to students because of funding and support provided by the Michigan Department of Health and Human Services.
At WMU, we strive to put students FIRST in everything we do. We want to meet students where they are and help them discover their path to success! Broncos FIRST is a federally funded grant program that promotes the successful completion of higher education of all students, particularly income eligible student populations, at WMU.

The Broncos FIRST program serves first-year students and has two components, a course component and a mentoring component. By participating in Broncos FIRST, students will increase their support base and create a network of individuals who are invested in their success at WMU.

For more information, contact us.
(269) 387-1719 or visit us on the Web: wmic.edu/broncosfirst
WMU Plans for You

WMU’s Strategic Plan focuses on you—your success, your health and well-being, and your interests. Our mission centers around our diverse community of learners, seeking to give you the Gold Standard college experience.

WMU is learner centered, discovery driven, and globally engaged.

Goal #1: Ensure a distinctive learning experience and foster your success by...

Providing opportunities to explore and enjoy the arts, cheer on NCAA Division I athletics, participate in student-led organizations and community-based volunteering, do research, join professional organizations, receive mentorship for career planning, and study internationally.

Goal #2: Promote innovative learning, discovery, and service by...

Embracing current technologies and teaching methods, integrating research into courses to encourage innovation and discovery, encouraging experiential learning and global awareness, and ensuring that all voices are heard through WMU’s robust system of shared governance.

Goal #3: Advance WMU as a major research university by...

Keeping programs relevant to today’s social, environmental, and economic needs; pursuing and using research to help our global community; and encouraging you to become lifelong learners by providing world-class graduate-level education.

Goal #4: Ensure a diverse, inclusive, and healthy community by...

Enrolling students from all backgrounds and life experiences, providing resources that promote personal and academic growth, promoting healthy lifestyle choices, and providing a safe environment where everyone feels welcomed and respected.

Goal #5: Advance social, economic, and environmental sustainability practices and policies by...

Recognizing the important role WMU plays as a local, national, and global citizen; being good stewards of WMU’s resources; making choices that protect our natural resources; and reducing our carbon footprint.

Orientation Schedule

Day One, Part One

Students and families attend together

9:30 to 11:30 a.m.
Orientation check-in at Valley II Residence Halls

9:30 to 11 a.m.
Reading test, by invitation, to test out of LS 1040 in residence hall classroom

9:45 to 11:30 a.m.
Orientation check-in and individual meetings in Valley II
- TRiO Student Success Program
- TRiO: Future Educators Success Program
- Lee Honors College (in dining hall)
- Broncos FIRST (in dining hall)
- Multicultural Leader Scholarship recipients—during sessions five and six

10:15 to 11:45 a.m.
Brunch in Valley II dining hall

12:15 p.m.
Welcome and campus introduction in Bernhard Center East Ballroom
- President Dunn
- First-Year Experience programs (transitions and next steps)
- Bronco Express (billing and student accounts)
- Safety on campus
- Privacy Act and authorized user process
- Orientation coordinator (meet the staff and dismissal)

1:30 p.m.
Academic college breakout sessions in Sangren Hall and Bernhard Center
- Alpha Program (105 Bernhard Center)
- College of Arts and Sciences (1910 Sangren Hall)
- College of Aviation (2730 Sangren Hall)
- College of Education and Human Development, teaching programs (1730 Sangren Hall)
- College of Education and Human Development, non-teaching programs (1740 Sangren Hall)
- College of Engineering and Applied Sciences (1920 Sangren Hall)
- College of Fine Arts (2720 Sangren Hall)
- College of Health and Human Services (210 Bernhard Center)
- Exploratory Advising/University Curriculum (Brown and Gold Room Bernhard Center)
- Haworth College of Business (208 Bernhard Center)

2:30 p.m.
Students and parents/families will separate. Students return to East Ballroom and parents/families go to Sangren Hall.
2:35 p.m. Students return to Bernhard Center Ballroom.
- Student activities
- ROTC
- Career and Student Employment Services
- Financial Aid
- Residence Life

3:35 p.m. Students meet their orientation groups and leaders.

3:40 to 6 p.m. Exploring WMU

6 to 6:50 p.m. Dinner

7 p.m. Involvement Zone

8:30 p.m. “The Bronco Way”

10:30 p.m. Walk back to Valley II

4:30 to 5:30 p.m.—Parent and Family Connection and Transition II

Group A On-Campus Living and Campus Life
   (1920 Sangren Hall)

Group B Traveling the Road to and Through College
   (1910 Sangren Hall)

5:45 to 6:30 p.m.—Optional walking tour of campus
Meet in the Sangren Hall Atrium.

Descriptions of parent and family sessions

Traveling the Road to and Through College
This interactive program is led by WMU’s director of Parent and Family Programs. We will explore the college experience through the eyes of both your student and your family, with emphasis on personal development and resiliency, to ensure a seamless and successful transition to WMU.

On-campus Living and Campus Life
This session will discuss the student experience of living on campus and making connections. This will include details about fall move-in, dining plans, residence hall staffing, services and safety.

Parent and Family Mixer
The Parent and Family Mixer is an opportunity for families to talk with academic faculty, staff members and administrators while enjoying hors d’oeuvres provided by WMU Catering.
Day Two

Students.

7 a.m. Breakfast in the Valley II dining hall

7:45 a.m. Engineering students meet outside to catch the bus.
Students should turn in their residence hall keys at the front desk and take their belongings with them.

8 a.m. All other students meet outside.
Health and human services students will board the bus.
All other students will meet in a group and walk to advising.

8:30 a.m. Academic presentations, advising and course registration

Parent and Families.

Noon Open houses at select academic colleges.

Reconnecting Students and Families and Open Houses

On day two, students meet with Academic Advisors and register for classes; while parents and families watch “The Bronco Way” and a student leader panel. After these activities, students will reconnect with their families.

The following students will finish registering for classes and walk back to the Valley II residence halls: students who are studying in the College of Arts and Sciences, College of Education and Human Development, College of Fine Arts, or are undeclared and meeting with Exploratory Advising.

The following Academic Colleges invite parents and families to join their students at the Academic College at the conclusion of Parent and Family Orientation activities: College of Aviation, College of Engineering and Applied Sciences, College of Health and Human Services, and Haworth College of Business.

> Where parents and families will meet their student at the conclusion of Parent and Family Orientation activities:

> **College of Aviation:** Students will meet with their parents and families in Kohrman Hall. Here you will have an opportunity to meet with faculty and staff for a pizza lunch. The event will conclude by 1:30 p.m., at which time students will return to the residence hall, collect their belongings and check out.

> **College of Engineering and Applied Sciences:** Students will meet with their parents and families at the Parkview campus, 4601 Campus Drive, Kalamazoo, MI 49008. Students will have already checked out of the residence hall and taken their belongings with them.

> **Haworth College of Business:** Students will meet their parents and families in Schneider Hall. The event will conclude by 1:30 p.m., at which time students will return to the residence hall, collect their belongings and check out.

> **College of Health and Human Services:** Students will meet their parents and families on the Oakland Drive campus, 1101 Cass Street, Kalamazoo, MI 49008. Students will have already checked out of the residence hall and taken their belongings with them.

> **All other students:** Colleges of Arts and Sciences, Education and Human Development, Fine Arts, and Lee Honors, as well as Exploratory/University Curriculum students will meet their parents and families in the Valley II residence halls.
