
If you do not have access to Workflow, email oit-workflow@wmich.edu to request access.

Once signed into workflow, please do as follows:

1. Click on "My processes" (under User Profile on the left)
2. Click on "WMU Fund Code Request-XXXX"
3. Enter the name of your scholarship next to "Workflow specifics name". Must be 25 characters or less. This will be how the scholarship is shown on the students WMU account.
4. Click "Start Workflow"
5. Click "Worklist" (under Home on the left)
6. Click on the workflow request you just started.
7. At this point you will be guided by instructions on the form (see screenshot below), only complete the required fields (noted by *) and follow instructions in red.

Please allow up to 5 business days for the Workflow request to be processed and for a new fund code to be assigned to that scholarship.

Once the fund code is established, you can submit a “Departmental Scholarship Disbursement Authorization Form” to finaid-scholarship@wmich.edu to request the scholarship be applied to the students account.

If you have any questions concerning this process, please contact Nicole Martinez at nicole.martinez@wmich.edu.
Instructions:  **Enter the GL combo code.**
