Sindecuse Health Center

The Sindecuse Health Center offers comprehensive services to students, faculty, staff, retirees, and dependents in an outpatient care setting. An experienced, multidisciplinary staff provides convenient and cost-effective services in a caring environment. Services include:

- Evaluation and treatment of acute and chronic illnesses and injuries
- Preventive health check-ups
- Laboratory testing and x-rays
- Medical social work services
- Physical therapy
- Periodic health monitoring
- Full-service pharmacy
- Health promotion programs

The Accreditation Association for Ambulatory Health Care (AAAHC) is the accrediting organization for Sindecuse Health Center. In the past school year, there were 78,671 total visits to the health center, and the pharmacy filled 84,598 prescriptions.

The medical staff includes board-certified physicians in the specialties of internal medicine, family practice, pediatrics, and psychiatry as well as certified physician assistants, licensed physical therapists, certified athletic trainers, and consultants in adolescent medicine, orthopedics, and podiatry. The nursing staff includes college health-certified registered nurses and certified medical assistants. The diagnostic services staff is comprised of registered medical technologists and radiographers.

Medical services include:

- Regular medical care by appointment
- Same-day care clinic
- Occupational medicine program
- Women’s & men’s reproductive health care
- Evaluation and treatment for ADD and other learning disabilities*
- Psychiatric care*
- Podiatric care
- Physical therapy
- Orthopedic evaluation

The nursing staff provides pregnancy testing, immunizations, TB skin testing, allergy injections, international travel consultations, asthma education, smoking cessation assistance, and other services. The health promotion department offers nutritional counseling, massage therapy, the training of peer educators, and student theater productions for the promotion of healthy sexual choices, along with a variety of educational resources. The medical social work department oversees HIV counseling, testing, and education and provides crisis intervention, short-term counseling, case management, and advocacy services to the University community. Our sports medicine department and international travel clinics are also open to the community.

*Services available for students only.
