Mission Statement
The mission of Extended University Programs (EUP) is to provide enhanced access to higher education for a greater constituency than could otherwise attend a central campus. In doing so we:
- facilitate student learning in multiple settings
- provide a strong link between campus units and students
- deliver high quality graduate, undergraduate and noncredit programs
- develop and maintain community partnerships, serving as an effective entrepreneur on behalf of the University
- collaborate with and support faculty in course development, program delivery, outreach and scholarship

About EUP
Extended University Programs has offered WMU courses outside of Kalamazoo since 1908, and is composed of four distinct divisions that work collaboratively to provide educational opportunities across Michigan and beyond:
- Regional site locations in Battle Creek, Benton Harbor, Grand Rapids, Lansing, Muskegon, and Traverse City. Students have the opportunity to complete WMU coursework in a face-to-face environment or via compressed video/interactive television (CVIT), which links multiple WMU locations.
- E-learning courses, offering online semester-based and open learning courses (that provide flexible course completion timelines).
- Office of Lifelong Learning and Education, providing conference management, and credit and non-credit learning opportunities.
- General University Studies, a degree completion program, offering either a B.A. or B.S., enables students to complete their undergraduate education.

Academic programs offered through EUP include, but are not limited to:
- Bachelor of Business Administration
- Master of Business Administration
- Master of Arts in Counselor Education/Counseling Psychology
- Master of Social Work
- Master of Arts in Educational Leadership
- Doctor of Philosophy in Educational Leadership
