CAMPUS LIFE

The Division of Student Affairs

The mission of the Division of Student Affairs is to engage students in learning and personal development. All of the programs and services within the division are intentionally designed to support the academic mission of the University, create and sustain optimal learning environments both in and out of the classroom and provide appropriate challenge and support for students. A vital component of WMU, the division helps to guide development of students into responsible citizens and future leaders.

Residence Life

Residence Life strives to create living/learning environments where students learn, grow and develop into successful members of the University community. Learning is woven into all aspects of the residence life experience through programs, academic resources and services, opportunities for involvement, and living/learning themes.

Residential learning communities exist in most halls, including academic learning communities connected to WMU academic colleges. Specialized housing also exists for transfer students.

Opportunities for involvement and leadership development are numerous and include attending hall programs, holding leadership positions in the hall and serving on campus-wide residence life committees.

Approximately 4,500 students live in the 13 residence halls on campus. Each hall offers a different living option, whether it is suite-style or traditional community options, upper class-only halls, extended quiet hours or Super Singles. Approximately 515 students live in on-campus apartments.
