University Recreation

University Recreation (UR) is committed to creating healthy environments that engage students and the university community in learning and personal development. As the administrating unit of the Student Recreation Center (SRC), the department caters to a diverse population of internal and external patrons, as well as regional and state organizations.

University Recreation continues to contribute to WMU’s ability to recruit and retain students, faculty and staff by offering programs and services that meet the needs and expectations of this constituency.

Students also indicated that their use of the SRC assisted them with healthy choices/habits, confidence, appreciation of diversity, and time management.
