This report provides counts of students by the 1st majors of their primary programs. All majors are reported in the college from which the student will graduate.

For example:
- BYSJ (Biology: Secondary Education) majors are counted in the Education college.

Undergraduate program codes ending in “P” indicate a pre-program. For example:
- ENSP refers to the Pre-English: Secondary Education program.

Note that the programs are sorted alphabetically by program code within their level.

This report is based on the validated census extracts used by the Office of Institutional Research. All census reports are based on enrollment at the conclusion of the sixth day of class for each semester or session.

NOTE: Starting spring 2015, this report includes enrollment of students taking courses outside of the U.S. These students will be excluded from mandated federal and state reporting.
