

# The Department of Economics Presents

## Friday Research Seminar Series

**Isabel Ruiz** (Ph.D. '06)  
University of Oxford  
2023 Alumni Achievement Award

### *Migration Policy Preferences and Forms of Trust*

What migration policies do people in receiving countries prefer and how do different types of trust moderate these preferences? While evidence from the US and Europe suggests that greater political trust positively relates to less restrictive preferences, Ruiz explores other possibilities using conjoint experiments measuring public support for migration policy packages in Colombia and Peru.

This event will be held in 4110  
Sangren Hall @ 3:00 pm on  
October 13th

**WESTERN MICHIGAN UNIVERSITY**  
College of Arts and Sciences
