Request for Budget Revision Instructions

The Request for a budget revision is used to request an internal approval of spending actions on a grant or contract.

Section I: General information. Name and department of the Principal Investigator. **Fund and Cost Center** is the grant account. **Project Title** is the title of the project. **Project Period** is beginning and ending date of the project. **Sponsor Award No.** is the agency grant number. **Sponsor Contact Person and Telephone No.** is the name of the primary contact person at the agency and their telephone number.

Section II: Budget Revision – in column three indicate the original budget, in column four indicate the change(s). **The revised budget** amount will automatically calculate. **The Total Cost** must equal zero in the change column.
