

A Panel Discussion on Operating Graduate School in Clinical Psychology

**Presenting: Advanced Clinical Psychology
Graduate Students**

Western Michigan University
Clinical Program Graduate Students

Join us for a discussion about general information regarding navigating successfully through graduate school in clinical psychology. Students who are in their advanced years in the program will discuss their experiences and give advice. Students who have any questions or concerns in navigating the program are encouraged to attend.

Please send possible questions to Erica Johnson:
erica.c.johnson@wmich.edu.
