

An Inside Perspective on Lean Management and Organizational Behavior Management

Eduardo Osorio

Continuous Improvement Support Consultant
Bronson Methodist Hospital - Kalamazoo

Eduardo Osorio is a Continuous Improvement Support Consultant for Bronson who graduated from Western Michigan University in 2005 with a Master's in Behavior Analysis. He is coming back to Western Michigan to share his lessons learned from a decade of experience in the Organizational Behavior Management field. Eduardo is interested in engaging attendees in a conversation about the field and his experiences, with a particular focus on differences between internal and external consulting and the similarities between Lean and OBM. He is looking forward to an interactive discussion and is interested in answering any questions attendees might have, so please do not hesitate to bring questions with you!
