Midwestern Behavior Analysis Job Fair Jan. 28, 2017 Fetzer Center,

Department of Psychology's 4th Annual Midwestern Behavior Analysis Job Fair. The mission of the Midwestern Behavior Analysis Job Fair is to provide students of all educational backgrounds and expertise the opportunity to engage in professional and social interactions with potential employers in the field of Applied Behavior Analysis.

In honor of the job fair, Clinical Director of Autism Spectrum Therapies at WMU alumna, Kelly Nemanja will be hosting a colloquium on the topic of interviewing in 1720 Chemistry at 4 p.m.

For the complete schedule of events, registration information, and travel accommodations, go to the events pages at www.mywmu.com or contact Avery Blackburn at psy-mbajf@wmich.edu.
